

SDG Learning session

Effective tools and processes employed by Major Groups and other Stakeholders in the 2030 Agenda implementation, follow-up and review

10 July 2018, from 10am – 1pm

Overview

This session will share tools and processes being used by NGOs from various sectors to build capacity and awareness for achieving the SDGs within their organizations and across their sectors. What are the most effective tools and processes that could work in any sector and how could the UN leverage these Major Groups and Other Stakeholder activities?
