

## **Intergovernmental Committee of Experts on Sustainable Development Financing**

### **Experts' bios**

#### **African Group:**

#### **Joseph Enyimu (Uganda)**

Mr. Joseph Enyimu is a development economist with over 10 years experience in development policy analysis and planning, public financial analysis and development evaluation. His specific experience with development financing includes financial analyses of Uganda's performance in implementation of the African Peer Review Mechanism Programme of Action; design of the financing architecture for the integrated national social protection policy for South Sudan and an assessment of the financing options for Uganda's Millennium Development Goals (MDGs) in the post-2015 era. His experience also spans communicating national and regional policy issues to multiple audiences; consulting for national and international agencies; and authoring research reports, policy briefs, official publications, public addresses and presentations. He holds a Master of Science in Economics and Social Studies Degree majoring in Development Policy and Practice. His areas of research interest include poverty analysis, sustainable development and regional economic integration.
