Focus Area 9: industrialization and promoting equality among nations

- On target 9 d) we propose a small amendment with the following formulation

"By 2030 increase economic diversification with a focus on shifting towards higher value-added activities"

Focus area 10: Sustainable cities and human settlements

- On target e) we propose a stronger target as follows:

"By 2020 every human settlement with a population greater than 250,000 will have urban plans and codes to build resilience to disasters"
