

## CSD-15 Partnerships Fair Speaker Biography

---

### **Touria Dafrallah**

Ms Touria Dafrallah is Research-Action Coordinator at Enda Energy, Environment and Development Program of the International NGO "ENDA-Third World".

Ms Dafrallah's focus has been Energy and Development in Africa with a primary concentration on Renewable Energy research, strategy development and implementation for poverty alleviation.

She has actively contributed to the research, analysis and advocacy work carried out by ENDA as a Centre of Excellence member of the Global Network on Energy for Sustainable Development.

Prior to joining ENDA-Third World, Ms. Dafrallah worked for the Ministry of Energy and Mines in Morocco where she was in charge of Renewable Energy and Energy Efficiency Section.

She has a Chemical and Energy Engineering Degree from the School of Mines (Morocco), a Certificate on Energy and Sustainable Development from Cornell University (USA) and a postgraduate Degree on Local Planning from the University of Aix-Marseille III (France).
