partnerships initiatives

## **Claire Servini**

---

**Claire Servini, Project Manager, Italian Trade Commission, New York, USA**

Claire Servini is Project Manager at the Italian Trade Commission in New York where she heads up the Environmental Technology Desk for the NAFTA region.

The Italian Trade Commission (ITC) is the Italian government agency entrusted with the promotion of trade, business opportunities and industrial cooperation between Italian and foreign companies, operating with a network of over 115 branch offices in more than 80 countries. The Environmental Technology Desk aims to encourage scientific and commercial collaboration, and, the exchange of best practices and know-how for new green technologies between Italy and the NAFTA region.

Claire has a double degree in Italian and Business Studies from University College London and London Polytechnic. She currently lives in New York.
