The **Circuit of Four Lakes** is a beautiful natural area in the Peruvian Andes.

The vision of Yachay Wasi is to preserve this beauty and diversity of flora and fauna.

Yachay Wasi has started the Campaign of planting

ONE MILLION TREES...

These trees, native of the area, will be planted around the local communities located near these four lakes.

*Village of Mosoqllacta between
Lakes Mosoqllacta & Pampamarca*

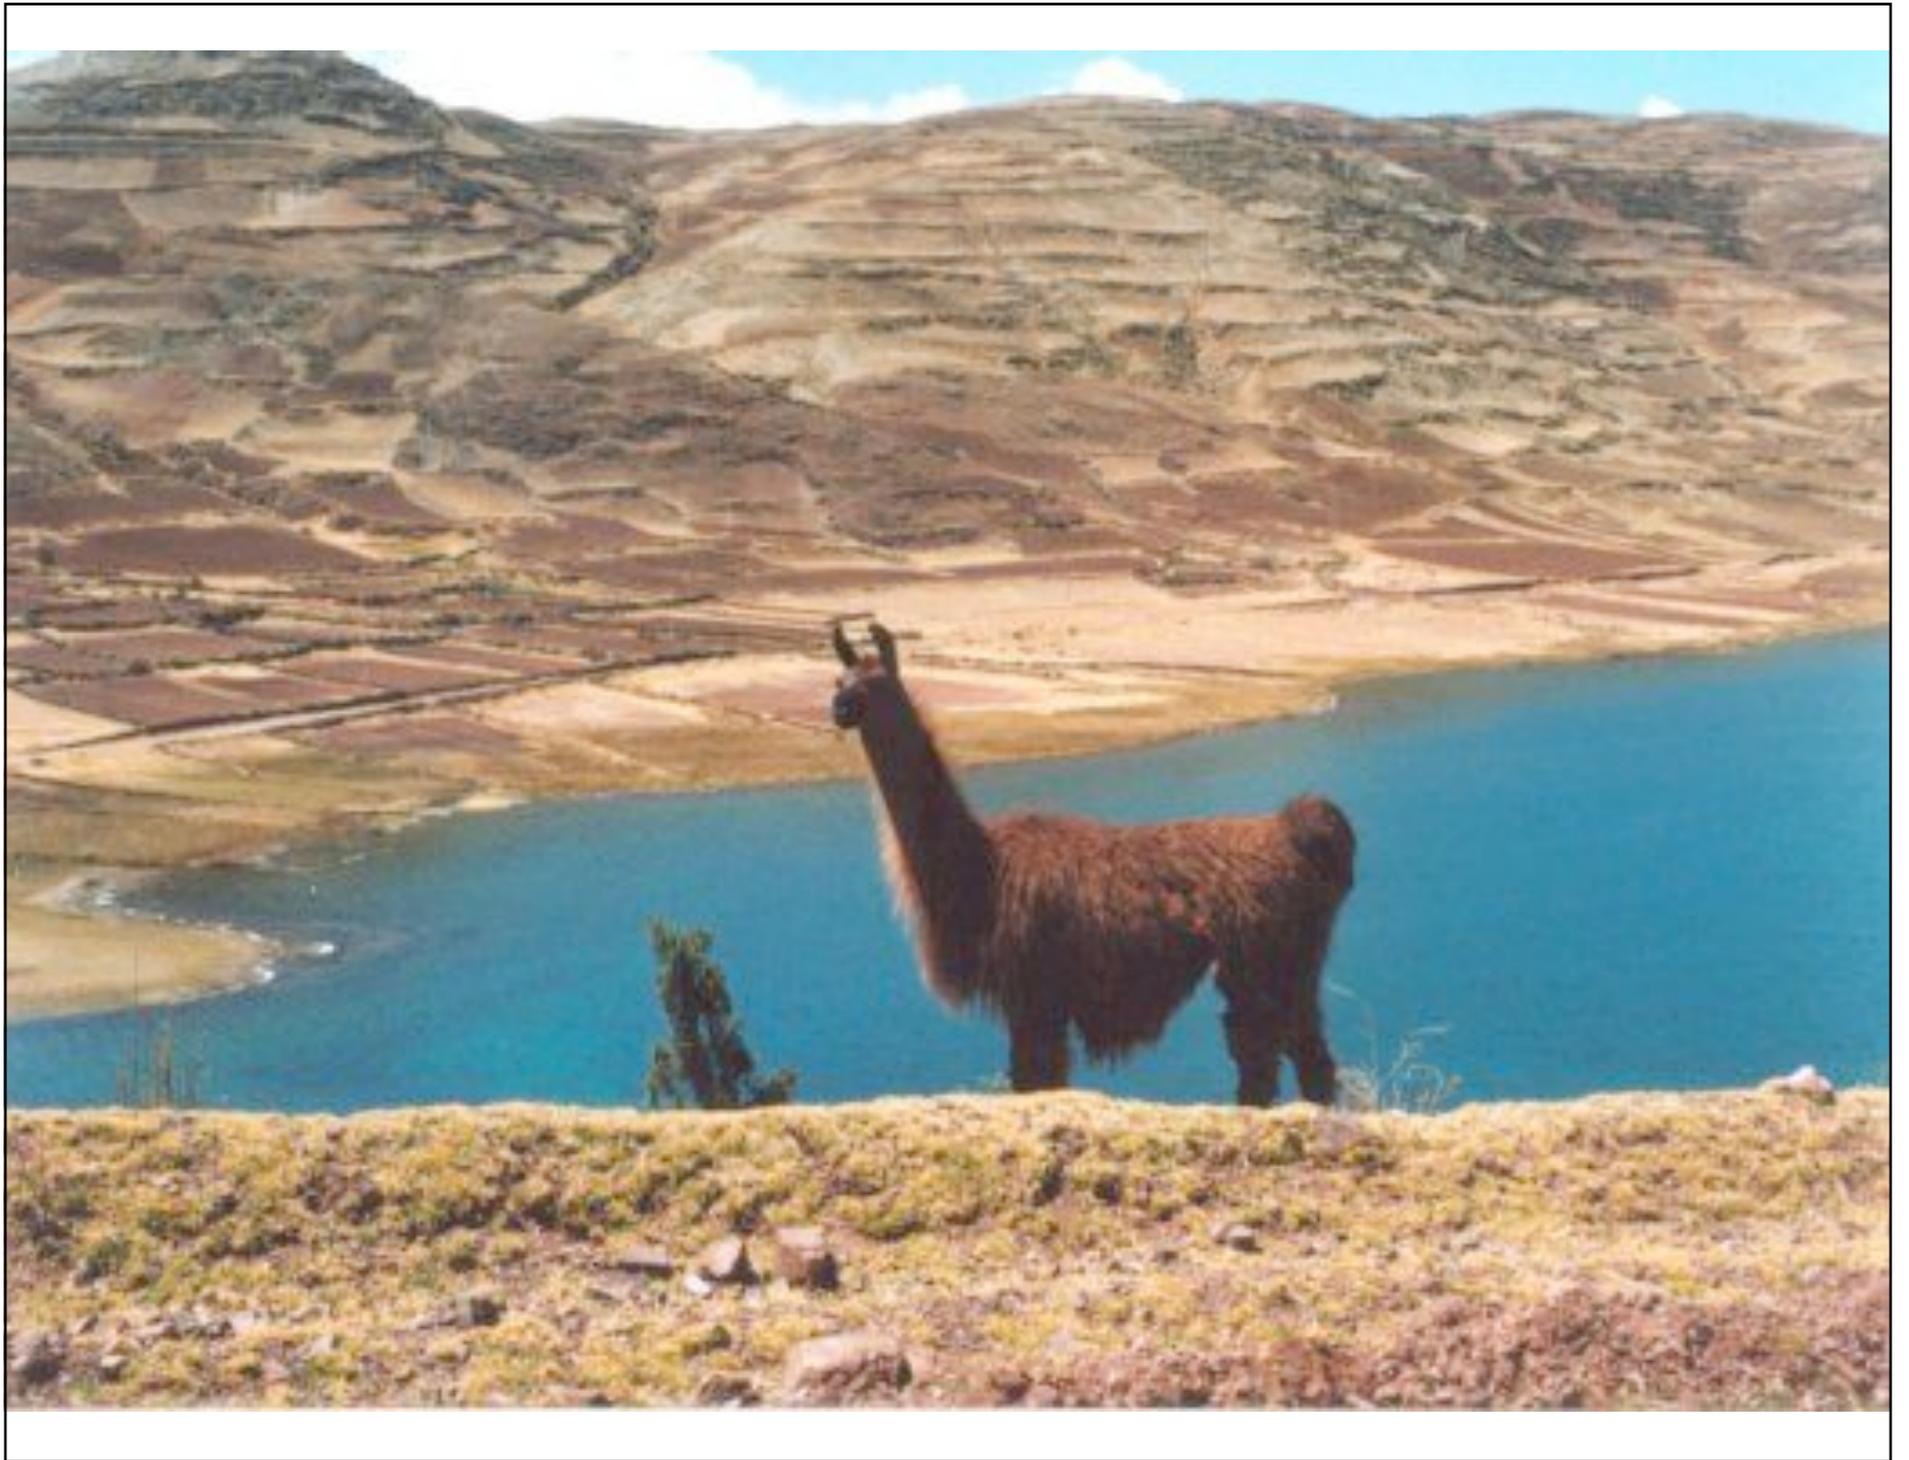

*Village of Acopia between
Lakes Pomacanchi & Acopia*

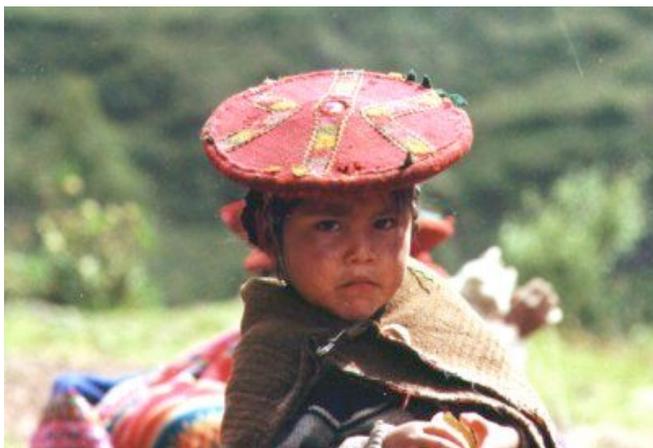

ONE MILLION TREES...

*For the New Generations
of
Tawantinsuyo*
