Strategic Action

Table 1 Strategic moves of influential strategic actors

Categories of strategic action	Strategic moves
Conditioning	Seizing/creating the opportunity Launching many initiatives Asserting one's position(s)/capital
Timing	Delivering (on time) Timelining Historicizing Futuring
Communicating (spoken, written, and body language)	Framing stories, values, and identities Agenda setting Planting ideas Controlling emotions
Networking	'Neutral' brokering Being open-minded and inclusive Coalition-building Isolating disruptive actors

Recommendations

- Take strategic action – especially internal and external communication of
 - Actors
 - Issues and Pillars
 - Scales
 - Cases/examples/plans
- What's in a name? Quite a lot – so pick/develop carefully
- Understand and apply narrative governance
- Develop communities of practice
