The Permanent Mission of the Republic of Chad to the United Nations presents its compliments to the President of the Economic and Social Council (ECOSOC) and has the honor to inform him that the Government of Chad intends to present its second Voluntary National Review (VNR) in July 2021 during the 2021 HLPF.

The Permanent Mission recalls that on 2 August 2019, the Government of Chad expressed its wish to present its VNR in 2020 and has been told to wait for 2021, as priority was given to countries presenting for the first time.

Therefore, the Permanent Mission kindly requests the registration of the Republic of Chad on the list of countries that will present their VNRs in 2021.

The Permanent Mission of the Republic of Chad to the United Nations avails itself of this opportunity to renew to the President of the Economic and Social Council (ECOSOC) the assurances of its highest consideration. *A*
