# **Partnership Platforms - national mechanisms for advancing SDG implementation**

**23 February 2021  
08.00 - 09.15 AM (EST)**

[sustainabledevelopment.un.org/PartnershipAccelerator](https://sustainabledevelopment.un.org/PartnershipAccelerator)

**Partnership platforms for the SDGs** are key national mechanisms for generating and brokering new partnerships, providing coherence and coordination among stakeholders, and aligning investments for SDG implementation.

The event will provide an opportunity to gain insights from a number of existing platforms, and hear the perspectives of different stakeholders on how we can develop an enabling environment that fosters more effective platforms nationally.
