FURTHER IMPLEMENTATION

- ❑ define both **baseline and forecast SDGs indicators** up to 2030;
- ❑ continue work to **improve the effectiveness of local and regional institutional mechanisms** that promote and facilitate the implementation of the SDGs;
- ❑ focus on **harmonising budget planning with the SDG objectives and indicators.**
- ❑ commence **work on nationalising SDG objectives and indicators** taking into account the national priorities and the 'leaving no one behind' principle;
- ❑ focus on the **specific characteristics of each of the 17 regions of Kazakhstan**
- ❑ **continue the dialogue** between the State, civil society, the business community, international organisations and other stakeholders, to ensure their full engagement in order to maximize the outcomes of the SDGs;
- ❑ **maintain effective regional cooperation** with the countries of Central Asia and with other international partners, including the UN system, OECD, and others.
