

# TOWARDS SAUDI ARABIA'S SUSTAINABLE TOMORROW

## Sustainable Development Goals

Custodian of the Two Holy Mosques  
**King Salman bin Abdulaziz**

“  
**My first objective is for our country to be a pioneering and successful global model of excellence, on all fronts, and I will work with you to achieve that**  
”

Crown Prince of the Kingdom of Saudi Arabia  
**Mohammad bin Salman**

“  
**In order to preserve the unique environmental character of the region, environmental sustainability laws and mechanisms will be developed. Natural resources will be conserved in accordance with the best practices and standards in place globally**  
”

# Saudi Vision 2030

---

The Kingdom of Saudi Arabia, through its Vision 2030 and its Vision Realization Programs, is embarking on a journey of true transformation and discovery, unlocking its social and economic potential

## Our Vision

---

The heart of the Arab and Islamic world

The investment powerhouse

The hub connecting three continents

## Themes of Saudi Vision 2030

---
