His Excellency Colleen Vixen Kelapile
President of the Economic and Social Council
United Nations Headquarters
NEW YORK

Excellency:

**SUBJECT: Presentation of Voluntary National Review (VNR) at 2022 High-Level Political Forum (HLPF)
on Sustainable Development**

Reference is made to the above-cited Forum to be convened under the auspices of the Economic and Social Council (ECOSOC) in July 2022. In this regard, I have the honor to hereby request that the Federation of St. Kitts and Nevis be considered for inscription on the list of participating countries in the Voluntary National Reviews to be delivered at the HLPF.

The Mission understands the time sensitivity of the matter given that your offices have indicated the closure of the registration list via your recently sent letter dated 13 October 2021. I am however hopeful that some consideration can be given to this request, especially since this would be the Federation's first presentation.

The Federation understands the grave importance of adherence to the 2030 Sustainable Development Agenda and the implementation of the Sustainable Development Goals. For that reason, we hope to use this platform to openly share the knowledge gained, difficulties faced also to address our intentions going forward thus a positive response to our request is anticipated.

Please accept, Excellency the assurances of my highest consideration.

Sincerely,

H.E Ian M Liburd
Ambassador/Permanent Representative
