

VNR Lab 14 - National Experiences on the VNR Process: MOZAMBIQUE

14 July 2020, 12.30 pm – 14:00 pm NYT

This VNR lab will focus on the concrete involvement of a wide range of Mozambique stakeholders in the actual process of the VNR report. You will learn how different stakeholders as well as Statistics Mozambique were engaged, how the stakeholders themselves experienced the process. The VNR lab will also discuss the process on designing the National Framework of the SDG Indicators. You will hear how the National Statistics Office coordinated the process of compiling the statistics of global and national SDG indicators. The lab consists of short introductory talks that also leave time for questions and discussion.
