

THE PRESIDENT
OF THE
GENERAL ASSEMBLY

20 September 2019

Excellency,

Further to my earlier correspondence, dated 20 September 2019, regarding the High-level mid-term review of the Small Island Developing States Accelerated Modalities of Action (SAMOA) Pathway, it is my pleasure to transmit herewith revised concept note and list of speakers.

Delegations are kindly requested to inform the Department for General Assembly and Conference Management of any changes to the level of participation in a timely manner. Any changes should be conveyed to Ms. Emer Herity (herit@un.org) and Ms. Jori Joergensen (joergensenj@un.org).

Please accept, Excellency, the assurances of my highest consideration.

High-level meeting to review progress made in addressing the priorities of SIDS through the implementation of the Accelerated Modalities of Action (SAMOA) Pathway

27 September 2019, Trusteeship Council Chamber
United Nations Headquarters

Background

The third International Conference on Small Island Developing States (SIDS) was held from 1-4 September 2014 in Apia, Samoa. The Conference resulted in the adoption of the Small Island Developing States Accelerated Modalities of Action – or SAMOA Pathway and the announcement of 300 multi-stakeholder partnerships in support of SIDS. The SAMOA Pathway was mandated for the duration of 2014 to 2024. It also established a unique intergovernmental SIDS Partnership Framework, designed to monitor progress of existing partnerships, and stimulate the launch of new, genuine and durable partnerships for the sustainable development of SIDS.

On 27 September 2019, the General Assembly will convene a one-day high level meeting to review progress made in addressing the priorities of SIDS through the implementation of the SAMOA Pathway. The high-level review will also result in a concise action oriented and inter-governmentally agreed political declaration.

The high-level review will assess progress, gaps and challenges in the implementation of the SAMOA Pathway. Bringing development partners and SIDS together, it will also assess the priorities, solutions, and lessons learnt for the way forward. It is key that the final five years of implementation seek out the strongest synergies with the 2030 Agenda for Sustainable Development, the climate agenda, and other key multilateral processes.

Multi-stakeholder Roundtable 1

The theme of this roundtable is 'Progress, Gaps, and Challenges'. Participants are invited to give insights on the implementation of the SAMOA Pathway thus far, and the hindrances that they have faced. Discussion here will include topics such as climate change, access to finance, and United Nations Development System Reform.

Guiding Questions

How has the SAMOA Pathway been implemented thus far?
How has national policy planning been changed to align with the SAMOA Pathway?
What partnerships and initiatives have proved most successful? How and why?
What challenges have been faced in implementation? What needs to be done to address these challenges?

Multi-stakeholder Roundtable 2

The theme of this roundtable is 'Priorities, solutions and the way forward'. Participants are invited to announce new partnerships and initiatives going forward with the implementation of the SAMOA Pathway. This session should also serve as a platform to set priorities going forward.

Guiding Questions

What priorities must be set in order to ensure the implementation of the SAMOA Pathway by 2024?
What new initiatives and partnerships will become available to SIDS going forward?
How can development partners and the international community better serve SIDS?
At a national level, how must policy planning change to facilitate implementation?
