

**The President
of the
Economic and Social Council**

21 October 2021

Excellency,

I would like to refer to my letter of 13 October 2021 where I informed Member States of closing the list of countries that will present a Voluntary National Review (VNRs) at the High-Level Political Forum on Sustainable Development (HLPF), under the auspices of the Economic and Social Council in 2022.

Since that letter, I have been notified by a first time presenting country of its intention to conduct a VNR at the 2022 HLPF. Bearing in mind my commitment to give priority to those countries that have not presented a voluntary national review, I have taken special consideration and decided to exceptionally accommodate the request of Saint Kitts and Nevis to be inscribed to present at the HLPF next year.

I look forward to working closely with all 46 countries in preparing for a successful 2022 meeting of the HLPF.

Please accept, Excellency, the assurances of my highest consideration.
