High-level Political Forum on Sustainable Development

Monday, 11 July – Wednesday, 20 July 2016

Trusteeship Council Chamber, United Nations

Information Note for Participants

1. Background

The United Nations High-level Political Forum on Sustainable Development (HLPF) will meet at the United Nations headquarters in New York from 11 July to 20 July 2016 under the auspices of ECOSOC. The ministerial segment will be from 18 to 20 July. The forum was established at the United Nations Conference on Sustainable Development (Rio+20), held in Rio de Janeiro in June 2012. It is to promote and review the implementation of sustainable development and to provide political leadership, guidance and recommendations. Among other functions, the HLPF plays a central role in overseeing a network of follow-up and review processes at the global level, working coherently with the General Assembly, ECOSOC and other relevant organs and forums, in accordance with existing mandates. The HLPF facilitates sharing of experiences, including successes, challenges and lessons learned and provides political leadership, guidance and recommendations for follow-up.

The 2016 HLPF meeting is the first one after the adoption of the 2030 Agenda for Sustainable Development. It will set the tone for the years to come to make HLPF a relevant, fruitful and vibrant forum where the 2030 Agenda and SDGs will be followed-up, reviewed and discussed and political guidance be given to Member States and all other relevant stakeholders.

Pursuant to ECOSOC decision 2016/212, the theme for HLPF this year is “Ensuring that no one is left behind”. The forum will serve as a timely occasion to discuss this theme at the very outset of the implementation of the 2030 Agenda and the SDGs as attention needs to be drawn to the fact that we need to reach those farthest behind first. The meeting will consist of moderated discussions among ministers and senior government officials, UN system and other organizations, as well as major groups of civil society and other stakeholders of civil society.
