To His Excellency XIE ZHENGYI Mayor of Yangzhou.

I found China in Yangzhou!!!

François Arnould

The background is a traditional Chinese ink wash painting. It depicts a serene landscape with a wide, calm body of water in the foreground. The water reflects the surrounding greenery and the misty atmosphere. In the middle ground, there are several clusters of trees, some of which are reflected in the water. On the left side, a traditional Chinese pavilion with a curved roof is partially visible. In the distance, a small, dark structure, possibly a pagoda or a temple, rises above the trees. The overall scene is shrouded in a soft, ethereal mist, creating a sense of depth and tranquility. The painting is framed by a decorative border at the top and bottom, consisting of a repeating geometric pattern.

Thank You!
