Enhancing MGoS Engagement in National Level Reviews
Bogota, Colombia
25 - 26 March 2017

Possible Guiding Questions towards an Outcome Document

1. What are lessons learned and best practices from MGoS engagement in VNR processes thus far?
2. How can partnerships with national governments around follow-up and review be established as to bolster the effectiveness of MGoS engagement in VNR processes?
3. What are some ideas for mechanisms for regional coordination around follow-up and review as to ensure greatest impact on VNR processes?
4. What are best practices regarding internal coordination and outreach within constituencies as to produce effective and representative reports on MGoS implementation of the 2030 Agenda?
5. What are the challenges that must be addressed within the HLPF MGoS Coordination Mechanism as to bolster MGoS effectiveness at the HLPF itself?
