

High-Level Political Forum  
United Nations | 18 July 2017

## PROGRAMME

Hosted by the International Chamber of Commerce (ICC), UN Department of Economic and Social Affairs (UNDESA), and UN Global Compact (UNGC), and organized in collaboration with the Global Business Alliance (GBA) for 2030, the SDG Business Forum will convene leaders from business and government, together with the heads of UN agencies, key international organizations, and civil society groups to delve into the role business plays in delivering the 2030 Agenda. [Featuring a showcase review of business engagement on the 7 goals in focus at this year's HLPF](#), as well as individual sessions examining investment, monitoring, and partnerships, this event will foster robust dialogue between governments and the private sector on critical issues and the way forward.
