\* The **introductory session** will consist of a debate between two thinkers on the 2030 Agenda and other relevant agreements to achieve sustainable development and leave no one behind.

The **session on regional and sub-regional aspects** will draw attention to the most important regional and sub-regional developments in the 2030 Agenda implementation including from regional VNR countries.

The **sessions on the theme** will look at the theme through the lens of all 17 SDGs.

The **sessions on individual SDGs** will feature data on each of the SDGs as well as the state of implementation of each SDG.

**Interlinkages** among the particular goal under discussion and all other SDGs will be considered in all sessions on individual SDGs under discussion.

**Means of implementation** will be also considered as a cross-cutting issue in each session on individual SDGs.

The **discussions on theme and SDGs** will be informed both by inputs from ECOSOC functional commissions and other intergovernmental bodies, a paper by MGoS, briefing notes prepared by the UN system and short background notes with questions for discussion, as well as presentations by panellists, to be followed by interactive discussions keeping in mind the principle of leaving no one behind and how SDGs are faring against it. A report of the Board of the 10YFP on SCP will also be considered with a view to give recommendations to the Board.

The **session on interlinkages** will address interlinkages among all six SDGs and among the rest of the SDGs including SDG 17.

The **sessions on goal 17** will have as documentation agreed conclusions from the ECOSOC FFD forum and a summary of the STI Forum.
