The meeting of the United Nations High-level Political Forum for Sustainable Development (HLPF) will take place under the auspices of ECOSOC from 10 to 19 July 2017 at the United Nations Headquarters in New York.

Six SDGs have been selected for in-depth discussions at the HLPF, namely SDG 1, SDG 2, SDG 3, SDG 5, SDG 9 and SDG 14 with SDG 17 as cross-cutting. The Division for Sustainable Development in the UN Department of Economic and Social Affairs (UNDESA) and the United Nations Institute for Training and Research (UNITAR) are co-organizing the **HLPF SDGs Learning, Training and Practice sessions** – a capacity building, networking and experience-sharing event, with high-level speakers and experts on crucial topics related to the implementation of Agenda 2030 and the SDGs.

The **HLPF SDGs Learning, Training and Practice sessions** will provide a strategic vision and practical knowledge to participants on how to find effective sustainable solutions for their community, country, city, village or neighborhood.

The **HLPF SDGs Learning, Training and Practice sessions** will aim to advance:
