14. The programme of meetings, including the list of speakers for the general debate, will be made available in the daily *Journal of the United Nations*, and will include such details as daily activities, titles, times and locations of meetings, agenda items to be considered and relevant documentation. A link to the programme of side events for the Conference will also appear daily in the Journal.

15. The list of speakers for the general debate will be established on a first-come, first-served basis, with the customary protocol that ensures that Heads of State or Government speak first, followed by other heads of delegation. The European Union will be included in the list of speakers. The list of speakers is open as at Monday, 10 April 2016. All States wishing to register names on the list of speakers are invited to send a request through the e-Speakers system (<http://delegate.un.int>). An automated e-mail acknowledgement will be sent within one hour of receipt of request. It is proposed that a time limit of five minutes be established for each statement. In addition to representatives of States participating in the Conference and that of the European Union, representatives of the following may, in accordance with resolution [70/303](#) and time permitting, make a statement in the general debate: (a) intergovernmental organizations and other entities that have received a standing invitation from the General Assembly to participate in the capacity of observer in the sessions and work of all international conferences convened under its auspices (rule 60 of the provisional rules of procedure); (b) associate members of regional commissions (rule 61); (c) specialized agencies and related organizations (rule 62); (d) other intergovernmental organizations (rule 63); and (e) interested United Nations organs (rule 64). The representatives of the non-governmental organizations and other major groups (rule 65), civil society organizations, academic institutions, the scientific community, the private sector and philanthropic organizations may, in accordance with resolution [70/303](#) and time permitting, also be added to the list of speakers of the general debate. Representatives of eligible organizations are invited to indicate their interest in speaking during the plenary meeting through the dedicated form at oceanconference.un.org/stakeholderengagement by 26 May 2017.

16. In addition to the discussions in the plenary and in any subsidiary bodies that may be established, the Conference will include seven partnership dialogues and a special event marking World Oceans Day.

Partnership dialogues

17. The seven partnership dialogues will be held in Conference Room 4 as follows: Monday, 5 June, from 3 to 6 p.m. (Addressing marine pollution); Tuesday, 6 June, from 10 a.m. to 1 p.m. (Managing, protecting, conserving and restoring marine and coastal ecosystems) and from 3 to 6 p.m. (Minimizing and addressing

ocean acidification); Wednesday, 7 June, from 10 a.m. to 1 p.m. (Making fisheries sustainable) and from 3 to 6 p.m. (Increasing economic benefits to small island developing States and least developed countries and providing access for small-scale artisanal fishers to marine resources and markets); Thursday, 8 June, from 3 to 6 p.m. (Increasing scientific knowledge and developing research capacity and transfer of marine technology); and Friday, 9 June, from 10 a.m. to 1 p.m. (Enhancing the conservation and sustainable use of oceans and their resources by implementing international law as reflected in the United Nations Convention on the Law of the Sea).

18. The partnership dialogues will be interactive and multi-stakeholder in nature and will focus on recommendations to support the implementation of Sustainable Development Goal 14, including through strengthened cooperation, building on existing successful partnerships and stimulating innovative and concrete new ones. Each partnership dialogue will be presided over by two co-chairs, one from a developing country and one from a developed country, to be appointed by the Presidents of the Conference. The Secretary-General of the Conference will select a moderator and up to four panellists for each of the partnership dialogues. The panel discussions, facilitated by the moderator, will be followed by an interactive debate among States and other relevant stakeholders.

19. The order of speakers for the interactive debate for each partnership dialogue will be determined on a first-come, first-served basis, bearing in mind equitable geographical distribution while allowing for some flexibility, with priority given to States according to the level of representation, followed by other participants. It is envisaged that up to 25 States and 15 other participants will be accommodated to speak during the interactive debate of each partnership dialogue. In order to provide for maximum participation, interventions should not exceed three minutes.

20. Representatives of States and associate members of regional commissions are invited to indicate to the Secretariat by e-mail (muturi@un.org) two partnership dialogues in which they would like to have a speaking slot, including order of preference, name, title and level of participation, before the deadline date of 19 May 2017. Representatives of intergovernmental organizations and other entities and the United Nations organs are invited to indicate to the Secretariat (pietracci@un.org), two partnership dialogues in which they would like to have a speaking slot, including order of preference, name, title and level of participation, before the deadline date of 19 May 2017. Representatives of non-governmental organizations and other major groups as well as other stakeholders are also requested to indicate two partnership dialogues in which they would like to have a speaking slot, including order of preference, name, title and level of participation through the Conference website before the deadline date of 24 April 2017. The list of participants envisaged to speak in each partnership dialogue during the interactive debate will be made available prior to the Conference.

21. The concept notes on the seven partnership dialogues will be issued as documents [A/CONF.230/4](#), [A/CONF.230/5](#), [A/CONF.230/6](#), [A/CONF.230/7](#), [A/CONF.230/8](#), [A/CONF.230/9](#) and [A/CONF.230/10](#) and made available on the Conference website.

Special event marking World Oceans Day

22. The Conference will also include a special event marking World Oceans Day, to be held in the General Assembly Hall on Thursday, 8 June, from 10 a.m. to 1 p.m. The event will include various segments highlighting the wonders of our “blue planet”, oceanic science and exploration. It will also feature examples of the Sustainable Development Goals in action, as well as the contribution of youth to the

sustainable development and management of the oceans. Additional information on the special event will be made available on the Conference website.

V. Interpretation

23. The six official languages of the Conference are Arabic, Chinese, English, French, Russian and Spanish. Statements made in the plenary, the multi-stakeholder partnership dialogues and the special event marking World Oceans Day will be interpreted in the official languages.

24. Statements made in any of the six official languages will be interpreted into the other official languages. It is essential that delegations provide the interpreters with copies of their texts through the Conference Officers in the meeting rooms in order to assure the quality of the interpretation. Speakers are requested to deliver the statement at a speed that is interpretable. While delegations are increasingly given a time frame in which to deliver their statements, they are kindly requested to do so at a normal speed if possible, to enable the interpreters to give an accurate and complete rendition of their statements. When statements are delivered at a fast pace to comply with the time limit, the quality of the interpretation may suffer. It is suggested that the delivery speed should be between 100 and 120 words (in Chinese 200-240 syllables) per minute in order to ensure that the statement is delivered at a normal pace.

25. In accordance with rule 54 of the provisional rules of procedure of the Conference, a representative may speak in a language other than the language of the Conference. In such cases, the delegation concerned should provide either an interpreter who would interpret from the non-official language into an official language, or a written text of the statement in one of the official languages to be read out by a United Nations interpreter. The interpretation or written text provided will be considered by the Secretariat to represent the official text of the statement and will be used by United Nations interpreters as the basis for interpretation into the other official languages. When a written text is provided, the delegation concerned should make available someone to guide the interpreter through the translated text and to ensure synchronization between the speaker and the interpreter. Detailed arrangements for interpretation from non-official languages, including access by non-United Nations interpreters to the interpreter booths in the General Assembly Hall and Conference Room 4, must be made in advance through the Meetings Management Section (telephone: 212 963 7351; e-mail: emeetsm@un.org). The interpreter or guide provided by the delegation should be brought by the delegation to the Conference Officer Desk in front of the General Assembly Hall or in the back of Conference Room 4 at least 30 minutes prior to the delivery of the statement.

VI. Documentation and statements

26. The official documentation of the Conference will be issued in Arabic, Chinese, English, French, Russian and Spanish.

27. A limited number of hard copies of documents will be available at the documents distribution counters located inside the General Assembly Hall. Delegations are encouraged to bring their own mobile devices loaded with the relevant documentation. All Conference documents will be available on the Conference website. The Department for General Assembly and Conference Management will also provide documents-on-demand services (printing of documents, assistance with access to online services, etc.) through the Documents

Assistance Centre (Conference Building, North Lounge, room CB-0264) and at the Documents Counter (Secretariat Building, room S-1B-032).

28. Delegations are invited to submit PDF formatted versions of their statements by e-mail to papersmart@un.org. Delegations wishing to circulate their statements electronically through the paper-smart services portal should provide them no later than three hours in advance of delivery to papersmart@un.org. Alternatively, delegations can bring a hard copy (unstapled and printed single-sided) for scanning and uploading at the documents counter located at the rear of the General Assembly Hall or at the Conference Officer Desk in Conference Room 4. The name of the meeting should be indicated in the subject line of the e-mail and in the heading of the statement. The statements will remain embargoed until their delivery and then posted.

29. Twenty copies of the text should be submitted to the receiving area at the documentation counter located at the rear of the General Assembly Hall or at the Conference Officer Desk in Conference Room 4 by a delegation representative in possession of a valid United Nations grounds pass. The texts of the speeches will be accepted only on the day on which they are to be given.

VII. Requests for meetings

30. Subject to the availability of space, every effort will be made to accommodate meetings of regional and other major groups of States. Requests other than those for side events mentioned in section XIX below should be made to the Meetings Management Section at emeetsm@un.org with “the Ocean Conference” written in the subject line.

VIII. Arrangements for bilateral meetings

Facilities

31. For bilateral meetings, a limited number of temporary booths, with a maximum capacity of eight participants, will be available in the General Assembly Building.

Reservation system

32. An electronic reservation system will be activated through eMeets (<http://icms.un.org>) on 29 May 2017, in order to provide equitable and efficient use of the facilities. Delegations are requested to submit reservations electronically through eMeets by accessing <http://icms.un.org>, logging in with the username and password of their permanent mission and clicking on the “Bilateral” tab. The date and time of the bilateral meeting and the name of the other delegation participating in the meeting should be specified in the request. Reservations will be accepted for periods of 20 minutes, on the hour and half hour. To prevent double booking, only the delegations initiating the bilateral meeting(s) should submit the request.

33. Information on booth assignment will be provided one day prior to the meeting. Depending on the programme, every effort will be made to keep a delegation’s consecutive appointments in the same booth. Late requests will be accepted until 6 p.m. on the day prior to the meeting, and every effort will be made to assign a booth on the basis of the availability of space at that time. Delegations requiring further information regarding bilateral requests should send their questions or enquiries to bilats-msu@un.org.

A total of 24 seats (of which 12 with microphones) will be allocated to the major groups and other stakeholders on the floor of the General Assembly Hall, with, in addition, 12 seats in Conference Room 4, for the duration of the Conference. The use of these seats will require special tickets, to be distributed by the Conference secretariat. Additional seating for the major groups and other stakeholders will be made available in the 4th floor balcony section of the General Assembly Hall but will also require special tickets. For the gallery of Conference Room 4, a special ticket is required for 5 June; however, from 6 to 9 June, seating will be on a first-come first-served basis. Further details on access and distribution will be made available on the Conference website.

XVIII. Media access arrangements and services

82. Media representatives with a valid United Nations grounds pass will be allowed to cover the Conference without additional accreditation.

83. Accreditation of media representatives accompanying the delegation, including official photographers and videographers, will be carried out by the Media Accreditation and Liaison Unit. Missions/offices are required to submit their media accreditation requests by using the eAccreditation system, available through the e-deleGATE portal at <https://delegate.un.int>. Requests should be submitted no later than Monday, 29 May 2017. Government spokespersons and press and information officers who are not taking photographs or video should be accredited as delegates, not media. For more information contact the Media Accreditation and Liaison Unit (e-mail: malu@un.org; telephone: 212 963 6934).

84. Media representatives who wish to apply for accreditation independently must complete the online application accessible through the Media Accreditation and Liaison Unit website at www.un.org/en/media/accreditation/accreditation.shtml.

85. All media representatives must clearly display their United Nations grounds passes at all times.

86. A designated workspace for members of the media will be provided in Conference Room F in the Conference Building.

87. Members of the media can request documents, statements and press releases related to the Conference from the Media Documents Centre, located in room S-0219 or by e-mail from [mdc@un](mailto:mdc@un.org).

89. Members of the media will be escorted to various meeting rooms from the Media Accreditation and Liaison Unit (S-250). For some meetings, tickets may be required. Media liaison staff will distribute tickets on a first-come, first-served basis 30 minutes before the meetings. Delegations organizing meetings should notify the Media Accreditation and Liaison Unit as to whether meetings are open to media.

Pool coverage

101. At some events, owing to logistics and space considerations, select media will have to provide pooled media coverage.

102. Official photographers and television crews will have an opportunity to cover the statement of their Head of State or Government or head of delegation on a rotating basis from the press booths surrounding the General Assembly Hall. Owing to space limitations, they may not remain in the booths to cover other speeches.

103. A limited number of still photographers, escorted by Media Accreditation and Liaison Unit staff, will also be allowed to take photographs from the bridge at the back of the General Assembly Hall during statements. These operations will be coordinated by the Unit officers accompanying the media.

Briefings and press conferences

104. Daily briefings for the media will be given by the Spokesperson for the Secretary-General at 12 p.m. and by the Spokesperson for the Conference at 12.30 p.m. in room S-0237. XIX. Side events

108. Side events sponsored by Governments, non-governmental organizations and other major groups as well as other stakeholders and United Nations system and other intergovernmental organizations will be held from 5 to 9 June 2017. XX. Meetings of major groups and other stakeholders

109. A conference room will be made available every morning inside the Conference Building for meetings of major groups and other stakeholders. For further details on these morning meetings, please refer to the Conference website.

XXI. Greening the Conference

110. To create a setting that is true to the spirit of the Ocean Conference, the United Nations is taking a number of measures to minimize environmental impact and maximize the social, economic and environmental sustainability of the Conference. All participants at the Ocean Conference are encouraged to contribute to sustainability efforts.

111. Transportation generally has the highest carbon footprint for conferences. Participants are urged to identify and minimize greenhouse gas emissions relating to their travel and participation in the meeting activities. In New York City, public transportation is one of the best ways to get around.

112. Participants are encouraged to bring reusable bottles/mugs and avoid disposable cups and plastic water bottles. A map of water fountain locations throughout the conference complex will be made available on the Conference website. Customers at the United Nations dining facilities receive a 5 per cent discount on their coffee purchases when they bring their own containers as part of the “Bring your own mug” programme.

113. Participants are encouraged to use the cardboard containers available in the cafeteria in place of the plastic to-go containers.

114. Participants are encouraged to minimize paper consumption. A limited number of hard copies of documents will be available at the documents distribution counters located inside the General Assembly Hall and in Conference Room 4. Participants should consider electronic access before printing documents. Participants are urged to use portable devices as the main way to access Conference documentation, including the daily Journal, side event schedule, information note for participants and Conference documentation, to limit demand for printed materials and reduce paper consumption. All pre-Conference and in-session documentation will be made available on the Conference website in a timely manner. Participants are strongly urged to limit the quantity of printed materials to be shipped to the Conference venue and to make arrangements for donating remaining publications, books and other printed materials to relevant local institutions. No tables will be made available for document handouts in the meeting rooms.

XXII. Arrangements for persons with disabilities

115. Delegations participating in the Ocean Conference are requested to inform the Secretariat of the accessibility requirements of delegates, in order to facilitate participation in meetings. Upon request, adjustments can be made to seating arrangements with a view to enabling the full participation of persons with disabilities, in keeping with the rules of procedure, precedent and practices. For individual requests, please contact the advance team of the Meetings Servicing Unit of the Department for General Assembly and Conference Management (e-mail: prepwork@un.org; tel. 1 (212) 963-7349).

116. The United Nations Accessibility Centre offers assistive information and communications technology to support those with auditory, visual or physical impairments. The assistive devices are available on-site or as a loan to participants with disabilities. The Accessibility Centre is located in the Conference Building (Level 1B) (by the Secretariat Building escalators). For more information, please visit <https://www.un.org/accessibilitycentre/>.

117. A limited amount of printing on demand in Braille is available through the Accessibility Centre with prior notice.

118. The United Nations Medical Service provides health-care support for acute injuries and illnesses and a travel medicine service at its walk-in clinic on the 5th floor of the Secretariat Building (telephone: 212 963 7080). The opening hours are 8.30 a.m. to 5 p.m. on weekdays. Conference attendees should ensure that they have adequate health insurance arrangements in place for referral to New York City medical practices or hospitals as the United Nations clinic does not provide routine primary care or medication for ongoing care.

119. During the Conference, an immediate medical response capability will operate from the main Medical Services Division clinic in the Secretariat Building.
