A Brief Guide to the Committee on World Food Security (CFS)
What is CFS?

A UN inter-governmental Committee set up in 1974 in response to rising food prices

The foremost inclusive international and intergovernmental platform for all stakeholders to work together to ensure food security and nutrition for all

Reformed in 2009 to include a wide range of stakeholders in the food security and nutrition policy setting process
Who is involved in CFS?

130 Member Countries

Participants
- UN agencies
- International CSOs-NGOs
- Private sector
- International & Regional Financial Institutions
- International Agricultural research system
- Philanthropic Foundations

Joint FAO, IFAD & WFP Secretariat
