

THE PRESIDENT  
OF THE  
GENERAL ASSEMBLY

26 May 2017

Excellency,

I write to you in relation to the partnership dialogues of The Ocean Conference, to be held from 5-9 June 2017.

As indicated in the Guidance Note attached to my letter dated 6 April 2017, States participating in the Conference were invited to inform the Secretariat by 19 May 2017 of the two partnership dialogues in which they wished to have a speaking slot, indicating their order of preference.

I am pleased to circulate herewith the provisional lists of participants in the interactive debate of each of the seven partnership dialogues. Based on the expressions of interest received, it will be possible to accommodate the first preference indicated by all States. Efforts will be made to accommodate delegations wishing to speak in a partnership dialogue which they have indicated as their second preference as well as those who did not register by 19 May, time permitting.

Please note that the enclosed lists are for planning purposes only. As indicated in the Guidance Note, interventions will be interspersed between States, intergovernmental organizations, associate members of regional commissions, United Nation system organizations, and major groups and other stakeholders. The order of speakers for each partnership dialogue will be determined in consultation with the Co-chairs, based on the timing of the inscriptions received, the order of preference indicated and equitable geographical distribution, with flexibility for the level of representation.

Delegations are encouraged to inform the Secretariat of any change to the level of participation or if they are no longer able to participate in a particular partnership dialogue.

Please accept, Excellency, the assurances of my highest consideration.

A handwritten signature in black ink, appearing to read 'Peter Thomson'.

Peter Thomson
