

**The President  
of the  
Economic and Social Council**

19 December 2017

Excellency,

I refer to General Assembly resolution 70/1 on the 2030 Agenda for Sustainable Development which launched the Technology Facilitation Mechanism in September 2015 and the corresponding resolution 69/313, on the Addis Ababa Action Agenda which established a Technology Facilitation Mechanism including a collaborative Multi-stakeholder Forum on Science, Technology and Innovation for the Sustainable Development Goals (hereafter STI Forum).

As requested by General Assembly resolution 70/1, the President of ECOSOC is to convene the meetings of the STI forum once a year to discuss science, technology and innovation cooperation around thematic areas for the implementation of the Sustainable Development Goals. The General Assembly also decided that the meetings of the forum will be co-chaired by two Member States and will result in a summary of discussions elaborated by the two co-Chairs, as an input to the meetings of the High Level Political Forum on Sustainable Development.

In this regard, I have the honour to inform you that, after consultations, I have decided to appoint H.E. Mr. Toshiya Hoshino, Ambassador, Deputy Permanent Representative of Japan to the United Nations, and H.E. Mr. Juan Sandoval Mendiola, Ambassador, Deputy Permanent Representative of Mexico to the United Nations, to act as co-chairs for the next STI Forum which will be held from 5 to 6 June 2018.

I would like to thank Ambassador Hoshino and Ambassador Mendiola for accepting this responsibility and trust that you will extend your full cooperation and support to them.

Please accept, Excellency, the assurances of my highest consideration.

Marie Chatardová  
President of ECOSOC
