MIGRATION IN THE POST-2015 DEVELOPMENT AGENDA

***SIDE EVENT AT THE FOURTH SESSION OF THE OPEN WORKING GROUP ON
SUSTAINABLE DEVELOPMENT GOALS***

***18 JUNE 2013, 6:15PM – 7:30 PM, CONFERENCE ROOM 4 (NLB), UNITED
NATIONS, NEW YORK***

The Permanent Representative of The People's Republic of Bangladesh has the honour to invite you to attend a side event at the OWG's fourth meeting, which will focus on ***Migration in the Post-2015 Development Agenda***. There is clear evidence that if states make smart policy choices, they can generate extraordinary economic and social gains from migration that are both inclusive and sustainable, while ensuring decent living and working conditions for migrants. The side event, which has been organized in collaboration with the International Organization for Migration (IOM), offers an occasion to exchange views and to share insights on how migration can be included in the new UN Development Framework, including in a set of SDGs. The side event will hear presentations from:

Gregory Maniatis

Special Advisor to the UN Special
Representative on Migration and
Development

Michael Gerber

Ambassador, Special Representative for Global
Sustainable Development Post-2015, Switzerland

Olav Kjørven

Assistant Secretary-General, Director, Bureau for
Development Policy, UNDP

Michele Klein Solomon

Permanent Observer of the International
Organization for Migration (IOM) to the United
Nations
