BOARD COALITION

# Our Mandate

## OUR GOAL:

To catalyse a **robust business sector** to deliver universal access to sanitation.

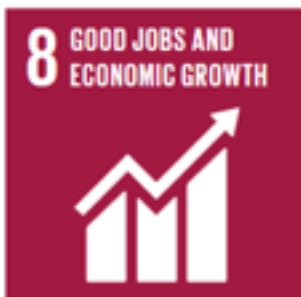

## OUR MISSION:

To **accelerate innovative business solutions** that deliver **sanitation at scale**, to those who need it most - by innovating at the at the social, environmental, economic & organisational levels.

# The Coalition

# We support...

# TOILET ACCELERATOR

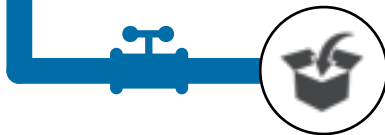

## The Toilet Accelerator works with sanitation innovators in 3 ways:

**Accelerating** promising sanitation business models with prospect for scale

**Co-innovating** new solutions where critical components of the system do not exist

**Bundling** opportunities to bundle sanitation to other solutions also targeting the same users in the BoP

# Future Outlook

## Building the Business Ecosystem

Circular Economy

Mobile 4 Sanitation

Affordable Housing

# We believe...

Delivering universal access to sanitation is the **Business Opportunity of the Decade**

**2.4 billion**

people are being held back because of poor sanitation.

**1 billion**

suffer the daily indignity of open defecation.

Business models that can deliver sanitation at scale need to be supported and accelerated.

**We can't wait**

Delivering sanitation at scale requires innovative sustainable & resilient solutions

# 1st GLOBAL TOILET BUSINESS, INNOVATION & INVESTMENT SUMMIT

*The Future of Smart, Sustainable, Sanitation Systems for All*  
15-17 November 2016 in Mumbai, India

This November, the Toilet Board Coalition, its members and collaborators are launching the first summit focused on the business of sanitation for all. We are bringing together businesses who see the commercial opportunity in accelerating universal access to sanitation, the businesses that are at risk due to poor sanitation, and the innovators blazing the pathways to future sustainable sanitation systems.

**Join the TBC for the 1st Global Toilet Business, Innovation & Investment Summit.  
Let's explore together your specific business interests, and accelerate action.**
