| Child Stunting (Prevalence) |
| 24% |

| Annual Economic Cost |
| US $1.4-2.1 Trillion |

Ending hunger and undernutrition will help to achieve many SDGs

**GOAL 2**

End hunger, achieve food security and improved nutrition and promote sustainable agriculture

**SUSTAINABLE DEVELOPMENT GOALS**

- **1. No Poverty**
- **3. Good Health and Well-Being**
- **17. Partnerships for the Goals**
Approaches for accelerating progress to ensure no one is left behind

Engaging countries

Stimulating knowledge and innovation

Supporting initiatives and partnerships

Compact2025 assists countries to refine and implement their road maps for action toward ending hunger and undernutrition—strategies from some successful countries focus on smallholder agriculture, social protection, nutrition interventions, WASH, and women’s empowerment.
Roundtable discussions: Convening stakeholders to accelerate progress

Common themes

- High level commitment
- Multistakeholder and multisectoral
- Key recommendations
  - Make policies and programs more nutrition-driven
  - Improve coordination
  - Fill data and knowledge gaps
- Moving forward with country hubs and global knowledge network
Compact2025: A global partnership to accelerate progress
