Special Consultative Status  
with the United Nations Economic and Social Council**

# **UN-CEFC Energy Grant**

**“Powering the Future We Want”**

# Sharing

- We shared knowledge, ideas, skills, love for family, and affection for neighbors
- Our world to prosper, together and sustainably ← sharing technologies, resources, innovations and sharing peace, security, love and friendship
- **One Planet & One Common Future**

# Energy

- Dictating the international order since the last century
- Zero sum game of capturing energy resources → Challenges & sufferings we face today

# Energy for All of Us

- We are all citizens of this globe, energy belongs to each and every one of us
- But, 2.8 billion people living in rural areas still lack access to modern energy services
- Access to energy: basic universal right of every man, woman and children

**ENERGY BELONGS TO ALL OF US,  
today, and tomorrow!**

Jul 18  
2014
