

DEVELOPING PARTNERSHIPS FOR SUSTAINABLE DEVELOPMENT GOALS - ASIA & PACIFIC 28 NOVEMBER 2016 | BANGKOK, THAILAND

sustainabledevelopment.un.org/sdination/Developing-Partnerships-for-SDGS-Asia-Pacific

**SUSTAINABLE
DEVELOPMENT
GOALS**

Session 1 - Innovative approaches of partnerships in tackling SDGs

Guiding questions

- What are some of the existing, and emerging, innovative approaches of partnerships in tackling the SDGs?
- How partnerships can leverage the use of science, technology, and information sharing tools, for driving the SDGs?

Session 2 - Governance models, accountability and stakeholder engagement

Guiding questions

- What are some of the processes, and tools, which ensure feedback and ownership from partnership stakeholders and beneficiaries?
- What are some of the existing, and successful governance, structures and models for accountability for multi-stakeholder partnerships, and how can these models be improved?
- How do partnerships engage various constituencies, including local communities, in shaping/planning its objectives and deliverables?

Session 3 - National enabling environments for fostering effective partnerships

Guiding questions

- What are some of the examples of existing inter-related institutional national conditions that foster effective multi-stakeholder partnerships?

Session 4 – Partnership engagement with 2030 Agenda follow-up and review processes

Guiding questions

- How can the review process of partnerships - on local, national, regional and global level - be improved, to better support the engagement with the follow-up and review framework of the 2030 Agenda and the SGDs, which is centralized around the High-level Political Forum?
