Metro

Tram System

Cables

Cables

Metroplús - BRT

Public Bikes

Metro is more than a
transport system, it is a
space that promotes
citizen culture

We used the Metrocable as
public transportation for
social transformation

We used the escalators to bring mobility, thus constructing equity

We used wheels on a tram to reach our mountains

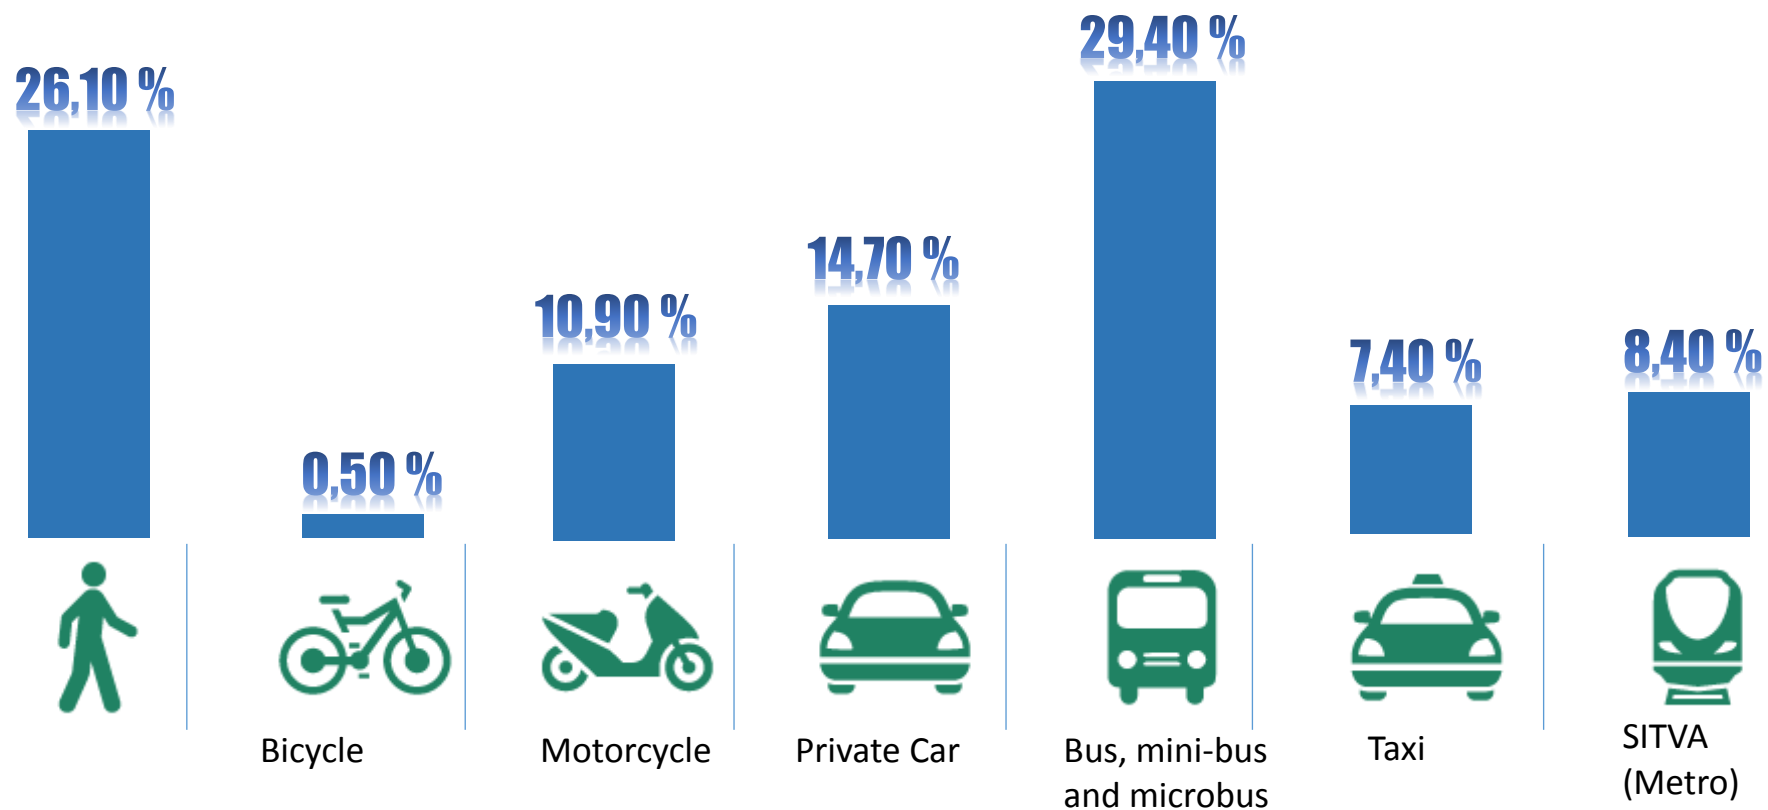

We think of a
environmentally friendly
Mobility

2) MEDELLIN'S MOBILITY SITUATION

Alcaldía de Medellín
