Suriname

Trinidad
and Tobago

The **Caribbean Association of Industry and Commerce (CAIC)** was designed to facilitate the development, growth and competitive positioning of Caribbean Businesses in the changing world economy, by providing products and services that are value-adding to its members and representing their interests in regional, international and hemispheric fora.

The **Caribbean American Chamber of Commerce and Industry (CACCI)** is a state-wide membership organization with expertise in providing business assistance to small and start-up business owners in areas of: business planning, financing, procurement, certification, expansion, and export/import opportunities.

Compete Caribbean is a private sector development program that provides technical assistance grants and investment funding to support productive development policies, business climate reforms, clustering initiatives and Small and Medium Size Enterprise (SME) development activities in the Caribbean region.

Caribbean Development Bank (CDB) is a regional financial institution with the purpose of contributing to the harmonious economic growth and development of the member countries in the Caribbean and promoting economic cooperation and integration among them, having special and urgent regard to the needs of the less developed members of the region.

Invest Caribbean Now promotes and pushes investment opportunities in the Caribbean region and offers: concierge services for high end investors seeking to make connections with key opportunities, governments and other parties in the region; ICN loan connections; political consultancy; China trade

PARTNERS AND COLLABORATORS

Partnerships are at the centre of our advocacy work. We have had the pleasure of ongoing and past collaboration with a wide variety of organisations, foundations, individual companies and civil society. These include:
