2019 VOLUNTARY NATIONAL REVIEWS

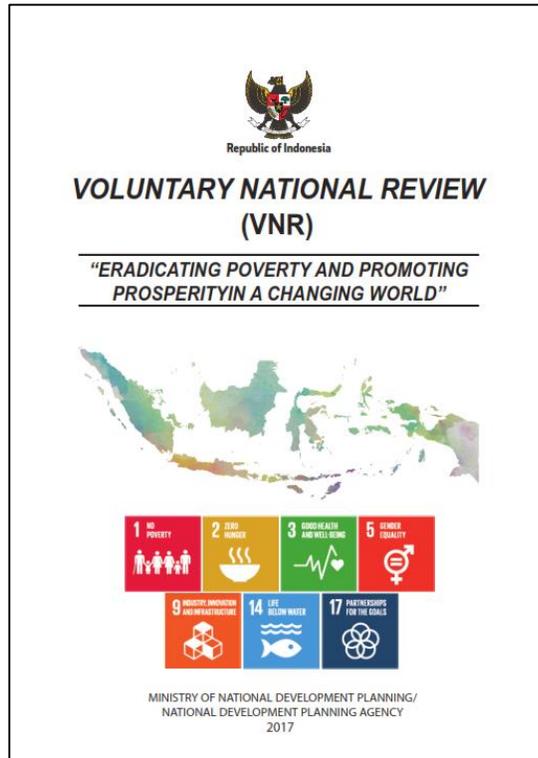

Minister for National Development Planning /
Head of National Development Planning Agency

Presented at the 2019 ECOSOC High-Level Political Forum

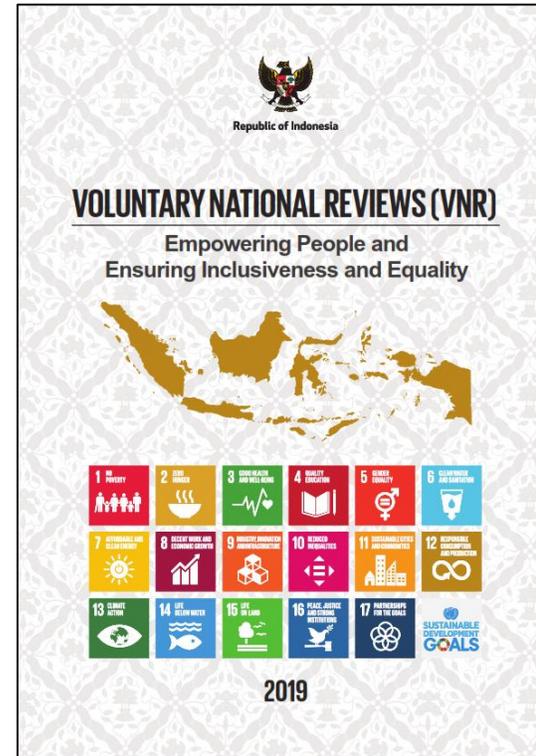

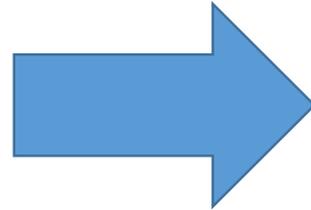

New York, 15 July 2019

The Second VNR for Indonesia

**Voluntary National
Reviews 2017**

**Voluntary National
Reviews 2019**

It is a great honour to present the 2019 Voluntary National Reviews of the Republic of Indonesia on the Implementation of the SDGs.

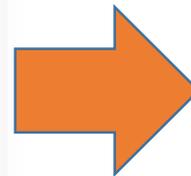

Mainstreaming SDGs into the National Development Agenda

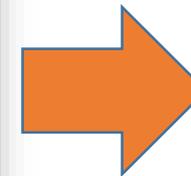

Indonesia is determined to be a pioneer and role model for the implementation of SDGs in an effort to foster a more just, prosperous and peaceful society, as a manifestation of Indonesia's free and active foreign policy.

**National SDGs Action Plan 2017-2019
launched by the Vice President in June 2018**

**Indonesia SDGs Roadmap
2017-2030**

**Draft of the 2020-2024 National
Medium-Term Development Plan
(RPJMN 2020-2024)**

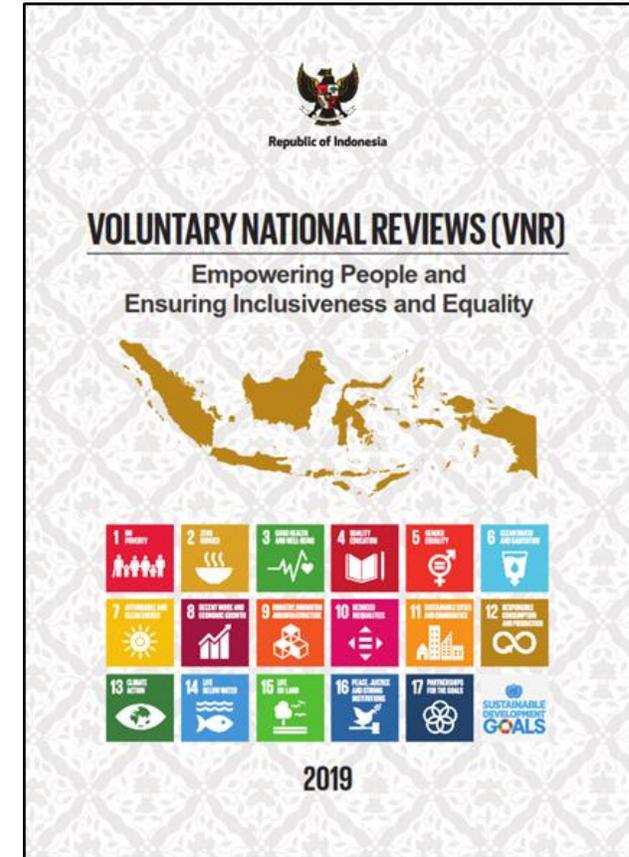

The Indonesian 2019 VNR was Prepared with the Principles of Inclusiveness and Leaving No One Behind

.....through a massive process of online and offline consultations as well as to include 43 best practices from state and non-state actors

**ONLINE
CONSULTATION**

**OFFLINE
CONSULTATION**

The Main Focus of the 2019 VNR of Indonesia is the Interlinkages among the 6 Goals under Review

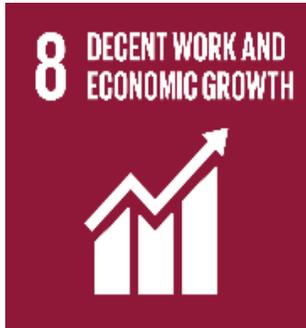

...to achieve:

Empowering People and Ensuring Inclusiveness and Equality in Indonesia

Indonesia's Inclusive Economic Growth has Increased the Welfare of the People

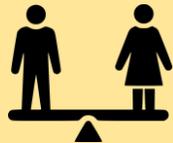

Creation of nearly 10 million jobs in 2015-2018

Improved access to education and equal access for girls and boys

Improved quality of environment and sustainable natural resources, climate change adaptation and mitigation

Reduced inequalities marked by the Gini Coefficient decline to 0.384 in 2018

Realized access to justice and governance

Multi-stakeholder partnership is the core of SDGs implementation involving multi-stakeholder's participation and collaborations

9 Universities Facilitate SDGs Center

Philanthropy and Business for SDGs

Localizing SDGs

through Subnational Medium Term Development Plan and Subnational SDGs Action Plan

Indonesia's Parliament Commitment for SDGs

Supreme Audit Institution's Commitment for SDGs

Various Achievements in the Implementation of the other 11 SDGs are also reported in the 2019 VNR

The report illuminates the outstanding achievement of main indicators in 11 Goals

Indonesia Has Set Means of Implementation Underlining the Progress of SDGs

- Defining Policy Coherence

- Tackling Digital Divide Through Communication Technology

- Building Partnership for Innovative Financing, Data Provision and Climate Action

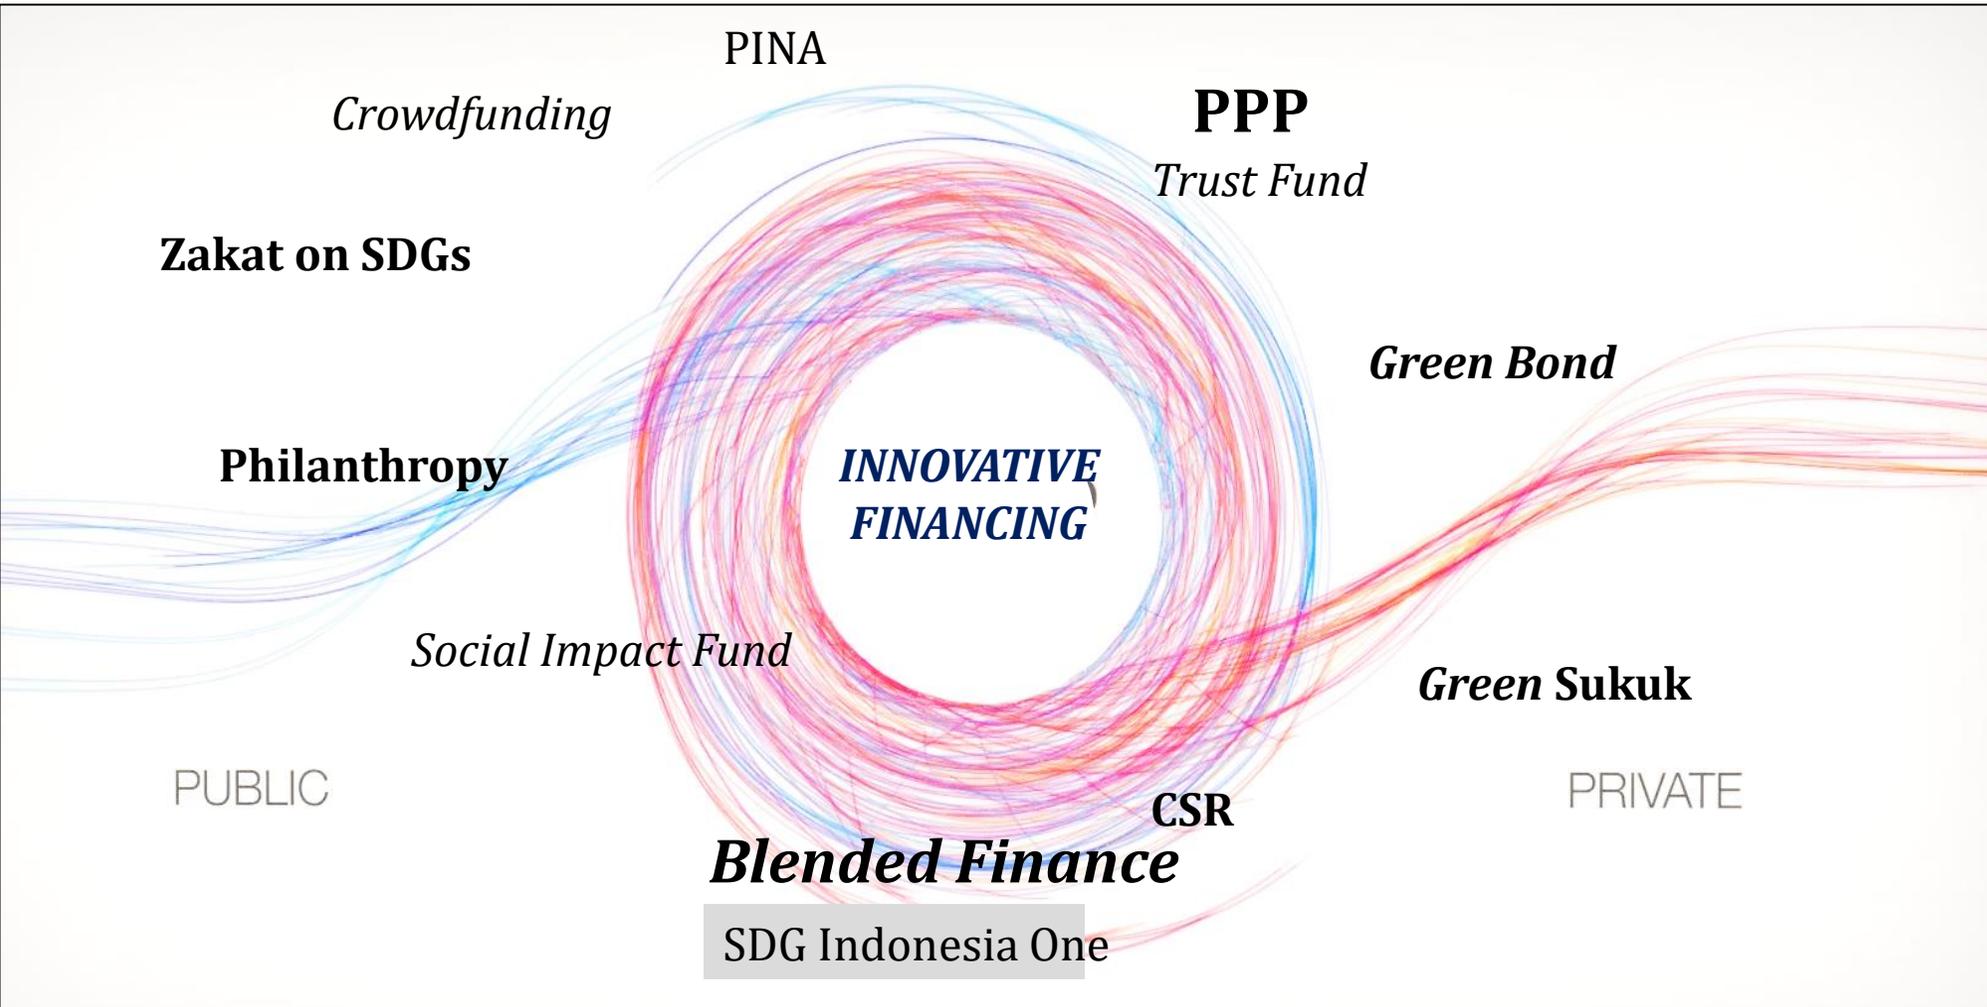

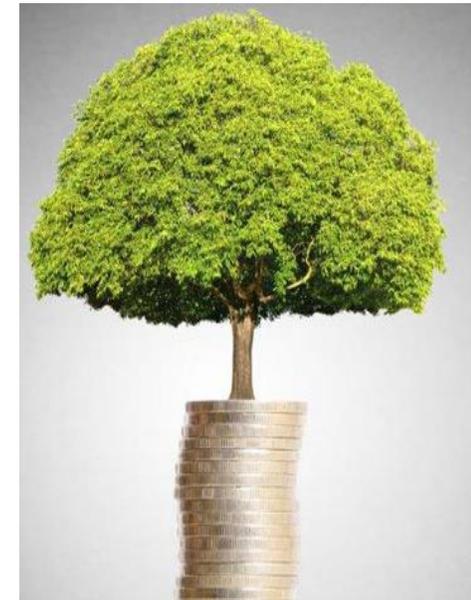

- Institutional Capacity

Innovative and Non-Conventional SDGs Financing in Indonesia Have Been Implemented

Innovative and non-conventional SDGs Financing is the Key Success to Implement the 2030 Agenda

Challenges to Implement SDGs in Indonesia

Differences in Cultures, **Ethnicities**, Religions and Languages

17.000 Islands

265 Million People

DATA AND INFORMATION

The Way Forward

- Promoting inclusive and sustainable economic growth;
- Strengthening connectivity and maritime sector;
- Increase added economic values and employment creation in various sectors.

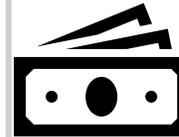

- Increase quality of human capital by reducing poverty;
- Increased access to quality basic services, including quality education at all levels.

- Take serious action on low carbon development initiative that aligned with the Paris Agreement by mainstreaming low carbon development planning to achieve sustainable economic growth .

- Foster bureaucracy reforms towards accountable and transparent governance by adopting information technology.

- Ensuring adequate funds for the achievement of SDGs through various new and innovative financing mechanisms.

THANK YOU

Terima Kasih
