MOZ/GE/488/19

June 26, 2019

Excellency,

A handwritten signature in black ink, appearing to read 'António Gumende'.

I would like to start by commending your Excellency for the wise leadership in the process of implementing the 2030 Agenda for Sustainable Development, whose in-depth assessment has been carried out under the auspices of the High-Level Political Forum on Sustainable Development.

Since the adoption of the 2030 Agenda for Sustainable Development in September 2030, Mozambique has taken a number of measures aimed at aligning the Government's five-year program, a national development framework, with the purposes of this universal development agenda.

Despite the adversities that the country has experienced throughout the implementation of the 2030 Agenda, it has spared no effort to include all national stakeholders in this exercise in order to achieve significant results towards prosperity and well-being of the people of Mozambique.

In this regard, I am pleased to express the interest of Mozambique to present its Voluntary National Reviews (VNR) during the 2020 High-Level Political Forum on Sustainable Development.

Please accept, Excellency, the assurances of my highest consideration and esteem.

A handwritten signature in black ink, appearing to read 'António Gumende'.

António Gumende

Ambassador Extraordinary and Plenipotentiary
and Permanent Representative to the United Nations

H.E. Ms. Inga Rhonda King
President of the Economic and Social Council
New York
