Challenges

Inequality, increased gaps in health, income and education

Sustainable consumption and production, in Sweden and abroad, preventing climate change
Our Strengths

- Peaceful
- Dynamic private sector
- And democratic
- Economic growth
- International outlook
- Collaboration
- Welfare model
- Access to health care
- School and education
- Local housing and employment
- Self-government
Our Opportunities

Sweden has high ambitions in implementing the 2030 Agenda – both nationally and by contributing to its global implementation.
