1. **WELCOME TO VIENNA – WELCOME TO THE VIC**

Austria’s capital is often associated with music, art, and cultural events, but Vienna also has a long-standing tradition as a venue for international conferences and dialogue, furthermore it is the host to a large number of international organisations. Since 1979, the city is home to one of the official headquarters of the United Nations. The Vienna International Centre (VIC) is located in the 22nd district and presents a very distinct architecture.

Vienna is a centre for the promotion of peace, human rights, security and sustainable development. With the establishment of the United Nations Office for Outer Space Affairs (UNOOSA) here in Vienna in 1993, this mission also extends to space.

Please follow these links for more information on the city of Vienna and the VIC:

2. **CONFERENCE:**

All workshop sessions will be held in Conference Room C1 (building C, 2nd level), at the VIC, Wagramer Straße 5, 1220 Vienna. The VIC can be reached within 7 minutes by underground (U1 line) from the city centre and is only a few minutes' walk from the Danube and the Danube park. An airport bus connects the VIC directly to Vienna Airport (30-minute bus ride).
3. Registration / Badges / Access to Meeting Venue

Please be informed that in order to access the United Nations premises, participants will require an entry badge.

The Organizers will make the necessary arrangements and register all confirmed participants. In order to finalize the process, about one week before the meeting participants will receive an automated email notification with a link to upload their photo (Please ensure that the picture follows the required format).

The badges can then be collected at security in the Vienna International Centre (VIC) entrance Gate-1 as of Monday, 3 February 2020 from 08:00. Please be reminded to bring a valid ID with you when picking up the badge. If you are scheduled to arrive on a different weekday, the same timing and procedure applies. The Pass office operates from 8 a.m. to 4 p.m.
