SIDS PARTNERSHIP CRITERIA AND NORMS

The SIDS Partnership Criteria and Norms, developed by the co-chairs of the Steering Committee, Belize and Ireland, in response to discussions from the 2018 partnership dialogues, provide a good starting point for articulating a genuine and durable partnership for SIDS.

A genuine and durable partnership for SIDS is one that strives to follow the SIDS Partnership SMART criteria – a partnership that is:

About the Partnership Accelerator

The *2030 Agenda Partnership Accelerator* aims to significantly accelerate and scale up effective partnerships in support of the 2030 Agenda for Sustainable Development.

The Partnership Accelerator provides capacity development and research on effective multi-stakeholder partnerships and country driven partnership platforms for the implementation of the Sustainable Development Goals (SDGs). Approaches include:

- National partnership training workshops
- Building up training-of-trainers to build up a cohort of qualified trainers to cascade and scale up training provision
- Globally accessible training webinars
- Establishment of a network of partnership practitioners
- Linking to other partnership trainings
