

Sustainable Development Goals

Goal 15: Progress & Prospects

Tackling Illicit Wildlife Trafficking

John E. Scanlon
Special Envoy African Parks

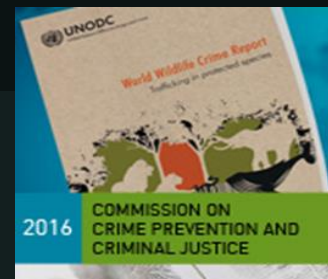

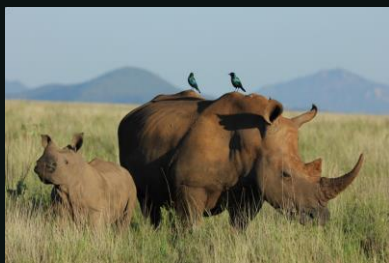

Former Secretary General of CITES 2010-2018

A hand holds a globe that is a mosaic of numerous small images of various animals and plants, including a tiger, parrot, orangutan, deer, crocodile, toucan, elephant, rhinoceros, gorilla, panda, flamingo, butterfly, and many others. The text "Regulating the trade in 36,000+ species" is overlaid on the globe.

Regulating the trade in 36,000+ species

7,000 species

A Global collective effort is underway

Focus on places to protect wildlife at its source

Development through conservation - SDGs

The future of wildlife is in our hands

Thank you!
