High Level Political Forum
New York
Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

ODA from DAC member countries dropped slightly in 2017, mainly due to lower costs for refugee assistance.
Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

Remittances are a lifeline for families and communities in low- and middle-income countries
Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

High-speed fixed broadband Internet connection remains largely inaccessible across the developing world.

Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

LDCs’ share of world merchandise exports fell between 2013 and 2016, after a long period of increase.
Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

Most countries in sub-Saharan Africa have national statistical plans, but only 3 of them are fully funded.

Note: Data labels represent the number of countries implementing national statistical plans. The horizontal axis and the length of the bar describe the proportion of countries implementing such plans.
Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

The share of ODA for statistical capacity-building has hovered at around 0.3% since 2010, despite growing demands.
