

# GOAL 17

United Nations Statistics Division

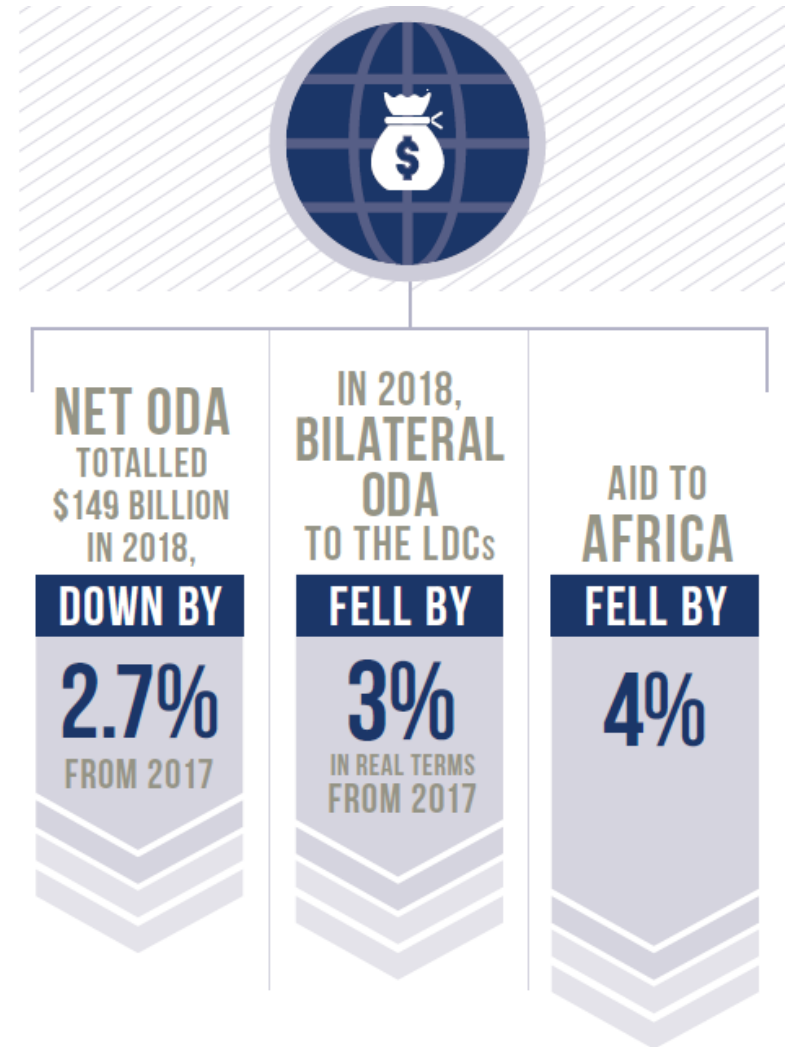

High Level Political Forum  
New York

## Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

Despite pledges to boost development financing, aid levels are falling, particularly to neediest countries

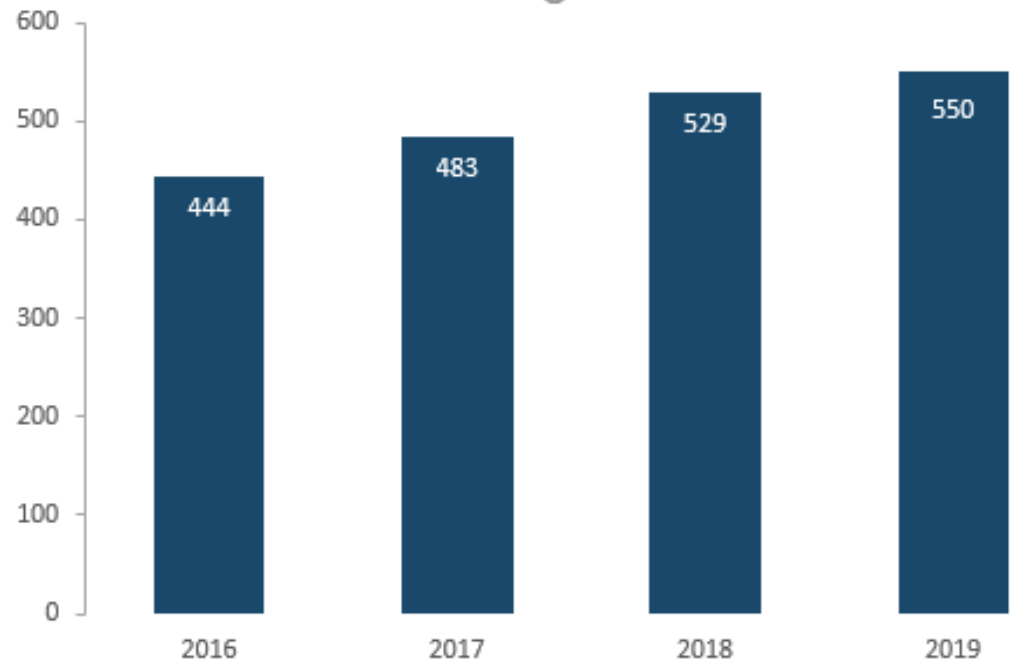

# Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

## REMITTANCES

WILL BE THE LARGEST SOURCE OF EXTERNAL FINANCING IN LOW- AND MIDDLE-INCOME COUNTRIES IN 2019

Remittance flows to low- and middle-income countries, 2016-2019, (\$ billion)

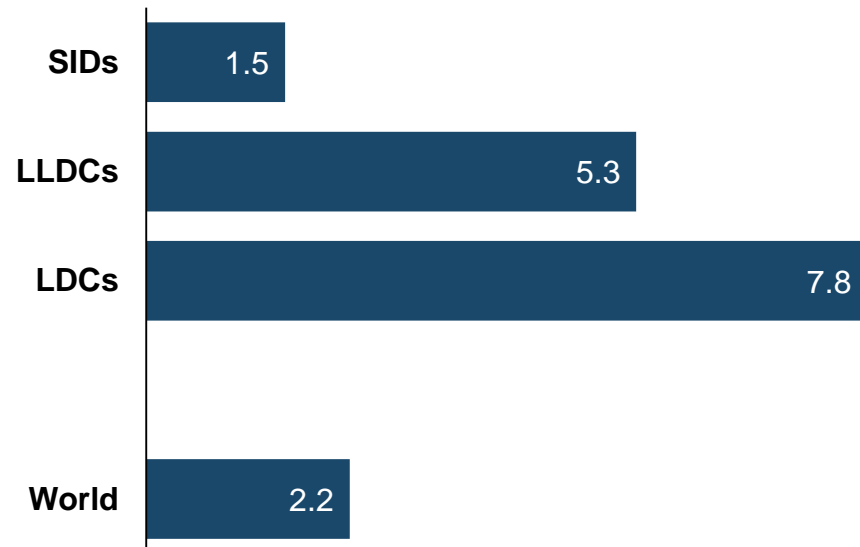

## Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

Trade tensions among the world's largest economies are reverberating, affecting producers and consumers worldwide

Preferential tariffs applied in 2017, by region (percentage)

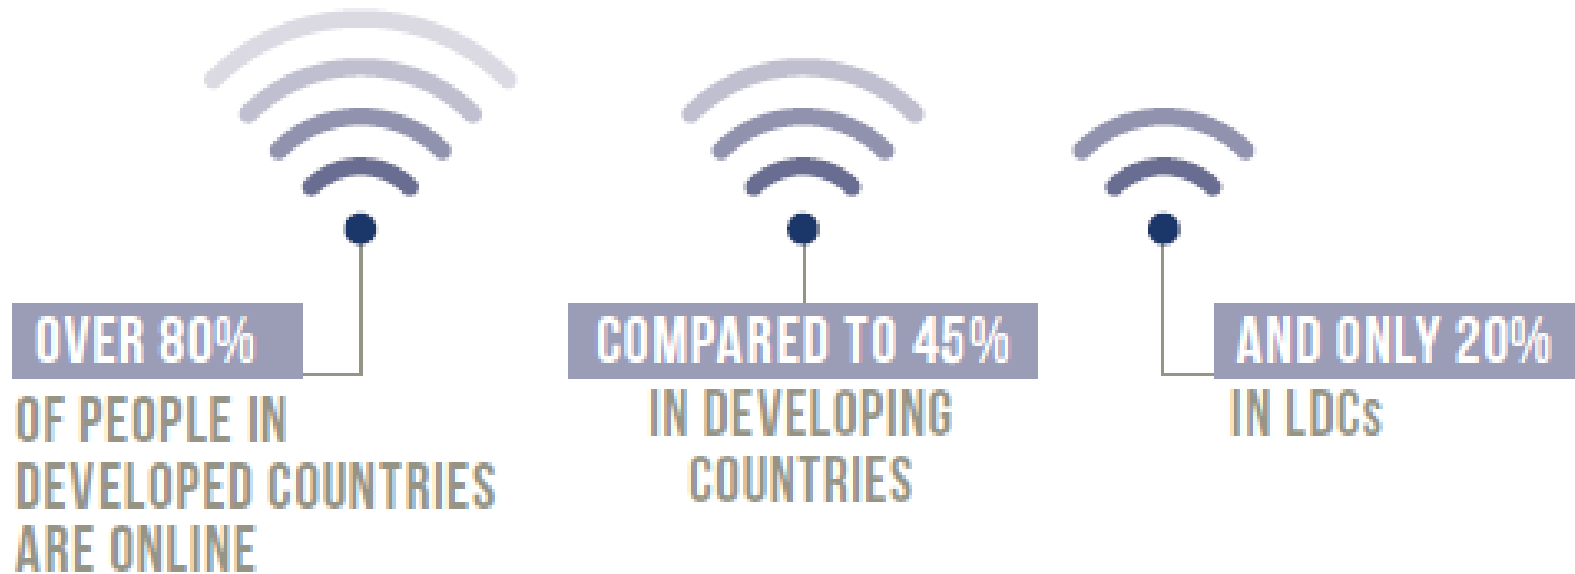

## Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

Over 80 per cent of the **developed world** are online – **four times** the share of people using the Internet in **LDCs**

---

## Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

**Financial support for statistics has increased, but is still not sufficient to meet demands created by the SDGs**

IN SUB-SAHARAN AFRICA, LESS THAN **ONE QUARTER** OF NATIONAL STATISTICAL PLANS ARE FULLY FUNDED

**CURRENT COMMITMENTS TO STATISTICS—**  
**0.33% OF TOTAL ODA—**  
**MUST BE DOUBLED TO MEET STATISTICAL CAPACITY-BUILDING OBJECTIVES BY 2030**
