Integrating the Sustainable Development Goals into National Strategies

The Strategy „Estonia 2035“

Eili Lepik
Deputy Strategy Director

July 2020
Strategic framework for SDG-s in Estonia

• Sustainable Development Law (1995)
  • Viability of cultural space
  • Growth of welfare
  • Coherent society
  • Ecological balance
• Long term strategy „Estonia 2035“ (2020)
• Sustainable Development Indicators (regular reviews)
Implementation and coordination of SDG-s

• No separate implementation plan for SDG-s

• SDG-s are integrated into governments strategies and development plans (stated in relevant Government Regulation)

• Estonian National Strategy „Estonia 2035“ basis for implementing the SDG-s in strategies and action plans

• Government Office as central coordinator (Strategy Unit)

• Estonian Sustainable Development Commission (non-government organizations, stakeholders)

• Inter-ministerial Working Group on Sustainable Development (ministries and statistics office)
