

**The President
of the
Economic and Social Council**

27 June 2014

Excellency,

I wish to refer to my letter dated 30 May 2014, inquiring on your views and inputs on the proposed themes of the 2014 and 2015 annual cycles of the Council, and on the proposed theme of the 2015 high-level political forum, meeting under the auspices of the Council.

You will recall that in pursuance of these two resolutions, I have sought feedback from the subsidiary bodies of the Council, as well as UN system entities, on the themes for the 2015 and 2016 ECOSOC substantive sessions.

On the basis of this extensive process, I am glad that there appears to be general support to the themes that I had proposed, as follows:

- 2014 ECOSOC annual cycle (Late July 2014 – Late July 2015): *“Managing transition for MDGs to SDGs: What will it take?”*
- 2015 ECOSOC annual cycle (Late July 2015 – Late July 2016): *“Implementing the post-2015 development agenda: moving from commitments to results”*
- 2015 HLPF session under auspices of the Council: *“Strengthening integration, implementation and review – the HLPF after 2015.”*

I am thankful for your support in this important endeavour.

Yours sincerely,

Martin Sajdik
President of ECOSOC
