

LA REUNION COMMUNIQUE

La Réunion, June 25, 2014

We, representatives of Governments, regional authorities, and regional and international organizations, attended the International Conference on Islands and Climate Change: « Opportunities, Resilience, Adaptation ».

Affirm our desire to consider the elaboration of a document incorporating a shared vision of climate change to be presented as an « Islands Declaration on Climate Change » at the 21st Conference of the Parties - COP21 in Paris in 2015;

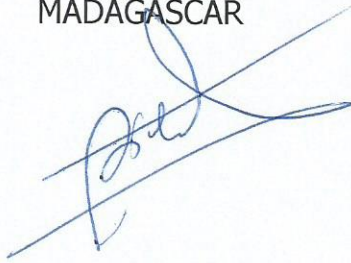

Are ready to consolidate and enrich the Declaration of the Islands initiated in La Réunion (Appendix), at future preparatory meetings for COP-21:

- 3rd Conference on the Small Islands Developing States (SIDS), in Apia (Samoa) from 1-4 September 2014;
- Summit of Leaders in New York, September 22-23, 2014 convened by the Secretary-General of the United Nations;
- International Conference on Biodiversity and Climate Change in Guadeloupe 21-25 October 2014;
- th
- 20 Conference of the Parties - COP 20 - Lima, 1-12 December 2014.
