

**Expert Group Meeting for the
Global Sustainable Development Report:
Engaging National Assessments**
12 - 13 Dec 2013
Beijing, China

Objectives of the meeting

- Bring together views and lessons-learned from national and regional reports → input to the *prototype Global Sustainable Development Report*
- Discuss the scope and approach of future editions of the UN Global Sustainable Development Reports → input to the *UN Secretary General's report* for the next session of the high-level political forum in 2014

Programme of the meeting

Day 1:

1. Introduction
2. Prototype of the Global Sustainable Development Report and China's Sustainable Development Report
3. Scope of the future reports incorporating national and regional issues/concerns/challenges

Day 2:

4. National contributions to a Global Sustainable Development Report (GSDR)
5. Scope and modalities of future GSDRs
6. Beijing agreed outcome
7. Closing

My expectations for the meeting

- Learn from you! An enjoyable meeting for you!
- Collect your ideas and views to be reflected in the prototype Global SD Report
- Adopt an agreed outcome with concrete, actionable suggestions
- What are your expectations? Hope you will be interested to get involved!
