

TST – Selected Follow-up and Review Processes and Platforms

An illustrative non-exhaustive compilation

Cross-Cutting	2
Goal 1. End poverty in all its forms.....	5
Goal 2. End hunger, achieve food security and improved nutrition, and promote sustainable agriculture	6
Goal 3. Ensure healthy lives and promote well-being for all at all ages	9
Goal 4. Ensure inclusive and equitable quality education and promote life-long learning opportunities for all	11
Goal 5. Achieve gender equality and empower all women and girls.....	12
Goal 6. Ensure availability and sustainable management of water and sanitation for all.....	14
Goal 7. Ensure access to affordable, reliable, sustainable, and modern energy for all.....	16
Goal 8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all	17
Goal 9. Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation	19
Goal 10. Reduce inequality within and among countries	21
Goal 11. Make cities and human settlements inclusive, safe, resilient and sustainable	23
Goal 12. Ensure sustainable consumption and production patterns	24
Goal 13. Take urgent action to combat climate change and its impacts* *Acknowledging that the UNFCCC is the primary international, intergovernmental forum for negotiating the global response to climate change.	27
Goal 14. Conserve and sustainably use the oceans, seas and marine resources for sustainable development	29
Goal 15. Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss.....	31
Goal 16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels.....	36
Goal 17. Strengthen the means of implementation and revitalize the global partnership for sustainable development	41
Annex: List of contributors.....	49

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
Cross-Cutting								
UN General Assembly	Address any matter within the scope of the UN Charter; promotes integrated follow-up to UN conferences/summits	Cross-cutting and sector specific	Global	Policy and follow-up	Y	Limited	Limited	Annual
High-level Political Forum	<p>The HLPF, among other things, provides political leadership, guidance and recommendations for sustainable development, follows up and reviews progress in the implementation of sustainable development commitments including their means of implementation, and enhances the integration of the three dimensions of sustainable development.</p> <p>Dedicates adequate time to countries in special situation including SIDS, LDCs, LLDCs and Africa, and recognizes MICs challenges (67/290) https://sustainabledevelopment.un.org/hlpf</p>	Cross-cutting and sector specific	Global	Follow-up	Y	Y	Y	Annual under auspices of ECOSOC and every 4 years under the auspices of GA
ECOSOC Review and Follow-Up	<p>ECOSOC System</p> <p>Undertakes specific responsibilities for the follow-up of particular issue areas in SDGs, together with follow-up to the global conferences and summits and the broader set of internationally agreed development goals.</p> <p><i>ECOSOC Integration Segment: Substantive, integrated and technically-oriented policy guidance and recommendations.</i></p> <p><i>ECOSOC Development Cooperation Forum: Follow-up</i></p>	Cross-cutting	Global	Follow-up and review	Y	Y	Y	Annual

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
	and review of selected trends related to development cooperation commitments. <i>ECOSOC Operational Activities Segment:</i> This Segment provides guidance on translating global norms into operational work of the UN.							
Commission for Social Development	The commission is in charge of the follow up and implementation of the Copenhagen Summit on Social Development. It advises ECOSOC on social policies of a general character and, in particular, on all matters in the social field not covered by the specialised inter-governmental agencies.	Cross-cutting	Global	Follow-up and review	Y	Y		Annual
Commission on Population and Development	Formal mandate of CPD is to monitor, review and assess the implementation of the Programme of Action of the 1994 International Conference on Population and Development (ICPD) and the Key Actions for its Further Implementation, adopted in 1999.	Intergovernmental/ thematic (pop & dev)	Global	Annual review of ICPD PoA implementation	ECOSOC functional commission	Y	Y	Annual
Statistical Commission	The Commission is the intergovernmental focal point for the elaboration and review of the indicators used in the United Nations system. In this function, the Commission provides guidance and leadership in the development and implementation of the indicator framework for the SDGs. The Commission will also guide the work of the IAEG on SDG indicators. It will regularly review the work of the IAEG on SDG Indicators and the High Level Group on SDG data and the inputs from the World Forum on Data for Sustainable Development. Furthermore, the Statistical Commission will oversee the work on a global database on development indicators and the annual global reporting on trends.	Cross-cutting	Global	Monitoring and follow-up	Y	Y	Y	Annual and ongoing

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
Permanent Forum on Indigenous Issues	The Permanent Forum is an advisory body to the Economic and Social Council with a mandate to discuss indigenous issues.	Cross-cutting	Global	Monitoring and follow-up	Y	Y	Y	Annual
Regional Commissions	<p>Regional commissions promote the regional implementation of internationally agreed development goals. They promote multilateral dialogue, knowledge sharing and networking at the regional level, and work together to promote intra-regional and inter-regional cooperation including with other regional organisations</p> <p>Convene annual sustainable development forum preparing for HLPF (per 67/290)</p> <p>Convene regional meetings on follow-up to conferences including some national reporting (e.g on Beijing follow-up)</p> <p>Have subsidiary bodies and steering committees on specific programmes of action.</p>	Cross-cutting	Regional / sub-regional	Follow-up /review	Y	Y	N	Variable
Human Rights Council	<p>Strengthens the promotion and protection of human rights globally , addresses situations of human rights violations and makes recommendations on them.</p> <p>Can discuss all thematic human rights issues and situations that require its attention throughout the year. Hosts Universal Periodic Review mechanism which serves to assess the human rights situations in all United Nations Member States</p> <p>http://www.ohchr.org/EN/HRBodies/HRC/Pages/AboutCouncil.aspx</p>	Cross-cutting	Global/ country specific	Follow-up /review	Y	Y	Y	Three times a year

Goal 1. End poverty in all its forms								
MDG Progress Report	The aggregate figures in the report provide an overview of progress under the eight goals. The report is coordinated and published by the Statistics Division of the United Nations Department of Economic and Social Affairs. (http://www.un.org/millenniumgoals/reports.shtml)	Cross-cutting	Global	Data gathering/monitoring	N	N	Y	Annual
MDG Progress Report And Reports on Sustainable Development	These reports analyse progress on MDGs and in the area of sustainable development	Cross-cutting	Regional	Data gathering/monitoring	N	Y	Y	1-2 years
ILO World Social Protection Report	Data collection / Monitoring: This report presents the latest social security trends and provides information on social protection systems, coverage, benefits and expenditures in more than 190 countries. (http://www.ilo.org/global/research/global-reports/world-social-security-report/2014/lang--en/index.htm)	Sector-specific	Global	Data gathering/monitoring	N	N	N/A	Biennial
World Bank/IMF Global Monitoring Report	This report assesses the state of policies and institutions that are important for ending poverty and boosting shared prosperity. It also analyses how the global macroeconomic environment, trade and aid affect countries' ability to attain the MDGs. http://www.worldbank.org/en/publication/global-monitoring-report	Cross-cutting	Global/regional/national	Data gathering/monitoring	N	N	Y	Annual
UNDP Human Development Report	Human development focuses on improving the lives people lead and on their opportunities and choices. Income growth is seen as a means to development, rather than an end in itself.. The Human Development	Cross-cutting	Global/regional/national	Data gathering/monitoring	N	Y	Y	Annual

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
	Index (HDI) measures achievement in the basic dimensions of human development across countries (longevity, education and income)							
Hyogo Framework for Action on Disaster Risk Reduction - HFA Monitor	<p>The Hyogo Framework for Action (HFA) Monitoring and Progress Review process facilitates monitoring, evaluating and reporting on the implementation of disaster risk reduction measures at the national, regional and global levels. Also includes local HFA self-assessment tool. (http://www.preventionweb.net/english/hyogo/hfa-monitoring)</p> <p>HFA targets and indicators applied at regional level, e.g. Asia Pacific Disaster Report prepared by ESCAP</p> <p>NOTE: HFA Monitor will be replaced by the Sendai Framework for Disaster Risk Reduction monitoring framework</p>	Cross-cutting	Global/regional/national	Data gathering/monitoring	Y	Y	Y	Biannual
OECD Wellbeing and Child Poverty	<p>OECD regular reports from national surveys. National level child poverty rates for OECD countries. http://stats.oecd.org/Index.aspx?DataSetCode=CWB</p>	Sector specific	Regional	Data gathering/monitoring	N	Y	Y	
Goal 2. End hunger, achieve food security and improved nutrition, and promote sustainable agriculture								
FAO Conference	Makes recommendations to Member countries concerning questions relating to food and agriculture, in order for them to be reviewed and implemented through national action; oversees FAO's work and makes recommendations to any international organization on the purposes of the Organization	Sector-specific	Global	Institutional follow-up and review	Y	Y	N/A	Annual
Committee on	CFS is an intergovernmental UN body functioning as	Sector-	Global	Institutional	Y	Y	Y	Annual

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
World Food Security (CFS)	an international multi-stakeholder platform for convergence, review and monitor of food security and nutrition policies, with all concerned constituencies (civil society, private sector, academia and research institutions, foundations, and UN bodies) contributing to the decision making process. CFS also negotiates and monitors implementation of voluntary policy frameworks related to food security, nutrition, and sustainable agriculture. CFS reports annually to the UNGA through ECOSOC.	specific		follow-up and review				
Commission on Genetic Resources for Food and Agriculture	The Commission aims to reach international consensus on agreements and policies for the sustainable use and conservation of genetic resources for food and agriculture and the fair and equitable sharing of benefits derived from their use The Commission is working with FAO experts and members of the scientific community on determining indicators and targets that could best be used to characterize and monitor genetic diversity in terms of what is being gained and lost.	Sector-specific	Global	Data gathering/ monitoring/ Institutional follow-up and review	Y	Y	Y	Biennial
International Treaty on Plant Genetic Resources for Food and Agriculture (ITPGRFA)	The International Treaty aims to conserve and sustainably use plant genetic resources for food and agriculture and the fair and equitable sharing of benefits derived from their use, in harmony with the Convention on Biological Diversity, for sustainable agriculture and food security.	Sector-specific	Global	Data gathering/ monitoring/ Institutional follow-up and review	Y	Y	Y	Biennial
FAO Committee on Agriculture (COAG)	As FAO's main technical advisory committee on agriculture, COAG reviews major agricultural and nutritional problems and proposes concerted action by FAO's Member Nations, reviewing specific matters relating to agriculture, food and nutrition referred to the Committee http://www.fao.org/coag/about-coag/en/	Sector specific	Global	Data gathering/ monitoring	N	Y	Y	Ongoing

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
Codex Alimentarius Commission	The Codex Alimentarius Commission is a WHO/FAO intergovernmental body which develops internationally recognized standards, codes of practice, guidelines and other recommendations relating to foods, food production and food safety.	Sector-specific	Global	Data gathering/ monitoring	Y	Y	Y	Annual
The State of Food Insecurity in the World (SOFI)	The State of Food Insecurity in the World monitors progress towards hunger reduction targets established at the 1996 World Food Summit and the Millennium Summit and raises awareness about global hunger issues, and discusses underlying causes of hunger and malnutrition (http://www.fao.org/publications/sofi/2014/en/)	Sector-specific	Global	Data gathering/ monitoring	N	Y	Y	Annual
WFP Vulnerability Analysis and Mapping (VAM)	WFP's Vulnerability Analysis and Mapping (VAM) capacity monitors changing food security situations and trends around the world; w/ a primary focus on countries where WFP operates. VAM regularly issues two quarterly publications; The Global Food Security Update; which provides an overview of key food security trends in vulnerable countries, and the Market Monitor; which reports on trends in staple food and fuel prices and consumer price indices for 67 countries. (http://www.wfp.org/food-security)	Sector-specific	Regional	Data gathering/ monitoring	N	N	Y	Quarterly
IFAD Farmers' Forum	The Farmers' Forum is an on-going, bottom-up process of consultation and dialogue among small farmers' and rural producers' organizations (FOs), IFAD, and governments, focused on rural development and poverty reduction. The Forum provides an opportunity for representatives of FOs to hold IFAD accountable for delivering on its commitments, help to shape IFAD policy going forward and to deepen partnership. (http://www.ifad.org/farmer/index_full.htm)	Sector-specific	Global/ regional/ national	Institutional follow-up and review	N	Y	N/A	Biennial in conjunction with IFAD Governing Council

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
Goal 3. Ensure healthy lives and promote well-being for all at all ages								
World Health Assembly	The Assembly is the decision-making body of WHO. It monitors and reviews several ongoing global action plans (on Global Malaria Programme , WHO End TB Strategy, Neglected Tropical Diseases, Non-Communicable Diseases, Mental Health, Harmful use of Alcohol, Road Safety, Tobacco Control Disability. Periodic reviews are undertaken on Universal Health Coverage (3.8) and the Health Workforce (3.c). http://www.who.int/governance/en/	Sector specific	Global	Monitoring and review	Y	N/A	N/A	Annual
ICPD Beyond 2014 Monitoring Framework	ICPD Beyond 2014 Monitoring Framework as elaborated in the Secretary General's Report on the Framework of Actions for the follow up to the Programme of Action of the International Conference on Population and Development Beyond 2014 (A/69/62) resulting from the 20 year global review of the ICPD Programme of Action. A/RES/65/234 extended the ICPD Programme of Action beyond 2014 and a global review process was conducted resulting in a framework of actions for the follow-up to the ICPD Programme of Action.	Cross-cutting	Global	Institutional follow-up and review of implementation	Y	Y	Y	Ongoing
WHO Framework Convention on Tobacco Control	Evidence-based treaty that reaffirms the right of all people to the highest standard of health. Article 21 of the Convention calls upon Parties to submit to the Conference of the Parties, through the Secretariat, periodic reports on implementation of the Convention.	Sector specific	Global	Institutional follow-up and review	Y	N/A	Y	See description
Independent	The IERG assesses the extent to which all	Cross-	Global	Institutional	N	Y	Y	Varies

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
Expert Review Group	stakeholders honour their commitments to the Global Strategy and the Commission on Accountability for Women's and Children's Health, which formulated system to track whether donations for women's and children's health are made on time, resources are spent wisely and transparently, and whether the desired results are achieved. http://www.who.int/woman_child_accountability/iern/en/	cutting		follow-up				
Convention on the Rights of Persons with Disabilities	The convention elaborates the rights of persons with disabilities and commits to implementation through policies, laws and administrative measures and abolishing laws, regulations, customs and practices that constitute discrimination	Cross-cutting	Global	Follow-up and review	Y	Y	N	Ongoing
Minamata Convention on Mercury	The Convention aims to protect the human health and the environment from anthropogenic emissions and releases of mercury and mercury compounds. Key provisions are related to, among others, controls on the entire life-cycle of mercury, from its primary extraction, its trade, its uses in mercury-added products, and in manufacturing processes. The convention also includes a dedicated article on health aspects related to mercury http://www.mercuryconvention.org/	Cross-cutting	Global	Institutional follow-up and review	Y	Y	Y	Ongoing
Stockholm Convention on Persistent Organic Pollutants	The Stockholm Convention is a global treaty to protect human health and the environment from persistent organic pollutants. Parties report on measures to implement the provisions of the Convention and their effectiveness every 4 years. They are to develop and implement an implementation plan for the Convention. (www.pops.int)	Cross-cutting	Global	Institutional follow-up/ accountability	Y	Y	Y	Conference of the Parties every 2 years / Reports every 4 years)
WHO	The <i>Global status report on road safety 2013</i> presents	Sector-	Global	Institutional	Y	Y	Y	Annual

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
Global Status Report on Road Safety	information on road safety from 182 countries, accounting for almost 99% of the world's population.	specific		follow-up / accountability				
Committing to Child Survival: A Promise Renewed	This report which is produced by UNICEF not only discusses levels and trends in under-five and neonatal mortality since 1990, but it also analyzes key interventions for mothers and their newborns, highlighting a gap between contact with the health system and the quality of care received. (http://www.unicef.org/publications/index_75736.html)	Sector-specific	Global	Data gathering/ monitoring	N	Y	Y	Annual
Global AIDS Response Progress Reporting (GARPR)	The purpose of this report is to provide guidelines and a universal set of core indicators for national AIDS programmes and partners actively involved in the country response to AIDS to use to measure and report on the national response. The national reports are collected and analysed to give an overview of the progress and challenges in responding to the global HIV epidemic. (http://www.unaids.org/en/dataanalysis/knowyourresponse/globalaidsprogressreporting/)	Sector-specific	Global	Data gathering/ monitoring	N	Y	Y	Annual
Goal 4. Ensure inclusive and equitable quality education and promote life-long learning opportunities for all								
UNESCO General Conference	Determines the policies and the main lines of work of UNESCO and set the programmes and the budget	Cross-cutting	Global	Policy-setting	Y	N/A	Y	Annual
World Education Forum	Reviews implementation of commitments on Education for All and MDGs and will discuss a framework for action to implement the SDGs (in 2015)	Sector-specific	Global	Review	Y	N/A	N/A	Ongoing

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
Global Education for all Meeting	Assess progress towards EFA based on the EFA Global Monitoring Report and regional reports, to agree on tangible actions for follow-up and to prepare the future education agenda	Sector specific	Global	Assess progress/ Agree on actions	Y	Y	Y	Annual
The Inter-Agency Group on Training and Vocational Education and Skills (TVET)	The IAG-TVET is the main existing coordination mechanism among international and UN agencies in this area. It has developed an extensive list of indicators to guide national policy design and monitoring, and a shorter list of indicators on skills for employment and productivity for cross-country comparison. (http://www.etf.europa.eu/webatt.nsf/o/E112211E42995263C12579EA002EF821/\$file/Report%20on%20indicators%20April%202012.pdf)	Sector-specific	Global	Institutional follow-up and review	N	N/A	Y	Ongoing
Education for All Global Monitoring Report	Developed by an independent team and published by UNESCO, the Education for All Global Monitoring Report (EFA GMR) is the prime instrument to assess global progress towards achieving the six 'Dakar' Education for All (EFA) goals. It tracks progress, identifies effective policy reforms and best practice in all areas relating to EFA, draws attention to emerging challenges and seeks to promote international cooperation in favour of education. (www.efareport.unesco.org)	Sector-specific	Global	Data gathering/ monitoring	N	Y	Y	Annual
Goal 5. Achieve gender equality and empower all women and girls								
Commission on the Status of Women (CSW)	CSW is a functional commission of ECOSOC. Exclusively dedicated to the promotion of gender equality and the empowerment of women, CSW has primary responsibility for follow-up to the Fourth World Conference on Women, for overall policy-making and coordinating the implementation and	Cross-cutting	Global	Institutional follow-up and review of implementation	Y	Y	Y	Annual

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
	monitoring of the Beijing Declaration and Platform for Action.							
Committee on the Elimination of Discrimination Against Women (CEDAW)	Body of independent experts that monitors implementation of the Convention. Data is collected from official and non-official sources. The reviews are based mainly on a national report provided by the Member State, as well as stakeholder parallel reports from national civil society. (http://www.ohchr.org/en/hrbodies/cedaw/pages/cedawindex.aspx)	Cross-cutting	Global	Institutional follow-up / accountability	N	Y	Y	Annual
ICPD Beyond 2014 Monitoring Framework	The ICPD beyond 2014 monitoring framework, is the universal follow-up and review mechanism for the ICPD Agenda. Contained in the Report of the UNSG (A/69/62), the ICPD beyond 2014 monitoring framework is Inter-governmentally mandated, and was taken note of at the 29th Special Session of the United Nations General Assembly (A/S-29/PV.1). The result of multi-stakeholder engagements, the framework builds on rigorous academic research and a human rights based conceptual framework that integrates the three pillars of sustainable development, highlighting through its five thematic pillars, a pathway to sustainable development.	Cross-cutting	Global	Data collection and monitoring. Institutional follow-up and review Framework for Actions for the follow-up to the PoA	Y	Y	Y	Triennial/Quadrennial
Other human rights treaty bodies, including the Human Rights Committee and the Committee on the Rights of the Child	Nine other human rights treaty bodies that monitor implementation of core human rights treaties, including the rights of women and girls. Reviews are based mainly on a national report provided by the Member State, as well as stakeholder parallel reports from national civil society. http://www.ohchr.org/EN/HRBodies/Pages/HumanRightsBodies.aspx	Cross-cutting	Global	Institutional follow-up/ accountability	N	Y	Y	Ongoing
Universal	The Universal Periodic Review (UPR) involves a	Cross-	Global	Institutional	Y	Y	Y	Three times/

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
Periodic Review (UPR)	periodic review of the human rights records of all 193 UN Member States. (http://www.ohchr.org/en/hrbodies/upr/pages/BasicFacts.aspx)	cutting		follow-up/ accountability				year
Inter-Agency Network on Women and Gender Equality (IANWGE)	Reviews the activities of UN system during the previous year and holds a structured policy discussion of emerging challenges, and issues of common concern.	Cross-cutting	Global	Institutional follow-up	N	Y	Y	Annual
African Women's Report	Measures Africa's progress on the implementation of global, regional, and sub-regional commitments that affect women. Monitoring is based on the African Gender and Development Index	Cross-cutting	Regional	Data gathering/ monitoring/ institutional follow-up and review	Y	Y	Y	Varies
Goal 6. Ensure availability and sustainable management of water and sanitation for all								
WHO/UNICEF Joint Monitoring Programme for Water Supply and Sanitation (JMP)	WHO/UNICEF JMP is a monitoring and reporting mechanism which has tracked progress on water and sanitation-related MDGs. Annual monitoring report on progress towards globally agreed WASH targets and indicators, based on national statistics and household surveys. (http://www.wssinfo.org/)	Sector-specific	Global	Data gathering/ monitoring	N	Y	Y	Annual
UN-Water Global Analysis and Assessment of Sanitation and Drinking-Water (GLAAS)	Presents data from 94 countries and 23 external support agencies. It offers a comprehensive analysis of strengths and challenges in water, sanitation and hygiene (WASH) within and across countries	Sector specific	Global	Data gathering/ monitoring	N	Y	Y	Biennial

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
Sanitation and Water for All Global Partnership	SWA is a broad, multi-stakeholder partnership on WASH, including biennial High Level Meetings to review progress against political and financial commitments and to ensure mutual accountability for results (http://sanitationandwaterforall.org/)	Sector-specific	Global	Institutional follow-up and review	N	Y	Y	Biennial
GEMI – Integrated monitoring of water and sanitation related SDG targets, under the UN-Water umbrella	GEMI is a monitoring framework drawing on existing monitoring programmes/databases, including: FAO AQUASTAT, GEMSWater (UNEP) for water quality, IBNET and modelled estimates linked with WHO/UNICEF JMP for wastewater treatment and reuse. The proposed framework integrates datasets and fills data gaps. The initiative is going through a Proof of Concept in 2015. GEMI is developing into the main reference tool for monitoring and reporting on targets 6.3-6.6.	Sector-specific	Global	Data gathering/ Institutional follow-up	N	Y	Y	To be determined
Trends in water-related ecosystem services (including Aichi Biodiversity Target 14)	The Strategic Plan for Biodiversity 2011-2020 and the Aichi Biodiversity Targets (adopted by the CBD and also by UNGA) - especially Target 14 (restore and safeguard ecosystems that provide essential services, including services related to water), include global assessments which are regularly undertaken through partnerships with multiple organisations under the guidance of the Convention on Biological Diversity together with other multi-lateral environment agreements (e.g. Ramsar and UNCCD). Progress regularly assessed by 194 Governments. http://www.cbd.int/indicators	Cross-cutting	Global	Institutional follow-up and review	Y	Y	Y	Ongoing

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
Goal 7. Ensure access to affordable, reliable, sustainable, and modern energy for all								
Renewables: Global Status Report	First released in 2005, REN21's Renewables Global Status Report (GSR) provides a comprehensive and timely overview of renewable energy market, industry, investment and policy developments worldwide. It enables policymakers, industry, investors and civil society to make informed decisions. (http://www.ren21.net/ren21activities/globalstatusreport.aspx)	Sector-specific	Global	Data gathering/ monitoring	N	Y	N/A	Annual
Global Tracking Framework report for "Sustainable Energy for All"	The SE4ALL GTF is a global data platform and monitoring system designed to support SE4ALL's efforts and allow rigorous and transparent tracking of progress towards the three global 2030 objectives on energy access, energy efficiency and renewable energy. Preparation of 2010-2012 tracking report being coordinated by the World Bank, the International Energy Agency (IEA) and the Energy Sector Management Assistance Program (ESMAP) in close cooperation with more than 20 agencies. (http://www.se4all.org/tracking-progress/accountability-framework/)	Sector-specific	Global	Institutional follow-up/ accountability	N	Y	N/A	Biennial
World Energy Outlook	Annual report by the International Energy Agency, on energy market analysis and projections, providing critical analytical insights into trends in energy demand and supply and what they mean for energy security, environmental protection and economic development. (http://www.worldenergyoutlook.org/)	Sector-specific	Global	Data gathering/ monitoring	N	N	Y	Annual

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
Goal 8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all								
ILO Governing Body and International Labour Conference	The Governing Body is the executive body of the International Labour Organization. The International Labour Conference is a forum for discussion on broad labour and social protection policies, establishes and adopts international labour standards http://www.ilo.org/gb/lang--en/index.htm http://www.ilo.org/global/about-the-ilo-works/international-labour-conference/lang--en/index.htm	Sector-specific	Global	Institutional follow-up / accountability	Y	Y	Y	ILO Governing Body – 3 times a year / International Labour Conference - Annual
ILO Committee of Experts on the Application of Conventions and Recommendations	The Committee monitors the implementation of ILO conventions. Governments must submit reports detailing the steps they have taken in law and practice to apply any of the eight fundamental and four priority conventions they may have ratified. Employers' and workers' organizations may comment on the governments' reports; they may also send comments on the application of conventions directly to the ILO. <i>(http://www.ilo.org/global/standards/applying-and-promoting-international-labour-standards/committee-of-experts-on-the-application-of-conventions-and-recommendations/lang--it/index.htm)</i>	Sector-specific	Global	Institutional follow-up / accountability	Y	Y	Y	Varies
IMF World Economic Outlook and Databases	Survey published twice a year. It presents analyses of global economic developments during the near and medium term and gives an overview as well as more detailed analysis of the world economy; consider issues affecting industrial countries, developing countries, and economies in transition to market; and	Cross-cutting	Global	Data gathering/ monitoring	N	N	Y	Twice a year

Name	Description of the follow-up and review processes and platforms (institutional setup, data collection etc.)	Type	Scope	Key Feature	Inter-governmental nature	Involvement of non-state actors and private sector	Involvement of science /academia	Frequency
	address topics of pressing current interest. (http://www.imf.org/external/ns/cs.aspx?id=29)							
ILO World of Work Report	This annual report brings quantitative and qualitative analysis drawing on evidence from over 140 developing countries and finds that a common factor amongst those countries that have achieved higher per capita income and sustained growth was quality jobs. (http://ilo.org/global/research/global-reports/world-of-work/2014/lang--en/index.htm)	Sector-specific	Global	Data gathering/ monitoring	N	N	Y	Annual
ILO Statistical Information and Monitoring Programme on Child Labour (SIMPCO)	SIMCOP surveys and global estimates, undertaken in regular intervals, allow for a consistent monitoring of the child and forced labour situation in member States. (http://www.ilo.org/ipecinfo/product/viewProduct.do?productId=8390)	Sector-specific	Global	Data gathering/ monitoring	N	Y	Y	Annual
Global Review of Aid for Trade	Global Reviews of Aid for Trade examines the contribution of trade to development, examining this relationship through the lens of efforts to integrate trade perspectives in national, regional and global planning frameworks.	Cross-cutting	Global	Data gathering/ monitoring and institutional follow up	Yes	Yes	Yes	Biennial
IMF Financial Access Survey	The IMF Financial Access Survey (FAS) is the most comprehensive global supply-side data on financial inclusion. The FAS database currently contains annual data for 184 jurisdictions, including all G20 economies, covering a nine-year period (2004-2012). http://fas.imf.org/Default.aspx	Sector-specific	Global	Data gathering/ monitoring	N	Y	N/A	Annual
