TO: ALL PERMANENT MISSION TO THE UNITED NATIONS NEW YORK

ATTN.: ALL PERMANENT REPRESENTATIVES

Excellency,

We have the honour to inform you that we support the call for a dedicated Sustainable Development Goal (SDG) on water and sanitation on the occasion of World Water Day.

No doubt water is of critical importance for human existence and for the planet on which we live. In addition, more countries are particularly vulnerable to the challenges deriving from the lack of access to water and the consequences of its overuse.

We are expressing our political support to ensure that all people have access to safe water and sanitation, mindful that the success of many other goals is inextricably linked to the progress in the areas of water and sanitation. We therefore join the call for a dedicated SDG on water and sanitation and would like to underscore our commitment to promoting this vision in the post-2015 deliberations and beyond.

Sincerely yours,

H.E. Ms. Mirsada Čolaković,
Permanent Representative of Bosnia and
Herzegovina to the United Nations
