Fourth International Conference and Industrial Exhibition on Dairy Science Park

November 1-5, 2017

Theme: Food Security through Enterprnuership and Biorisk Management

Venue: Selcuk University, Konya, Turkey

Welcome to Konya for DSP 2017

Welcome to Konya the city of Mevlana Rumi in Turkey to participate in the Fourth International Conference and Industrial Exhibition on Dairy Science Park scheduled for 1-5 November, 2017.

The event is continuation of the series held during November 2011, 2013 and 2015 at Peshawar, Pakistan. The three conferences focused on rehabilitation of the post-flood Dairy Sector of Khyber Pakhtunkhwa during 2011; sensitizing the stakeholders about Halal meat export potential of the Region during 2013; and deliberations on Self employment for the youth and hygienic food production for the people of the Region during 2015.

The fourth event of the series is being held with the theme “Achieving Food Security through Entrepreneurship Development and Biorisk Management”.

During the third event Dr Mithat Direk accompanied by Prof M Musa Ozcan, Vice President of Selcuk University Konya and signed MoUs with the University of Agriculture Peshawar, UVAS, UAF and PMASAU for collaboration under Mevlana Exchange Program and other arrangements. We would like to harness these opportunities for be facilitating visits of Scientists, Students, Government Officer, industry representatives , farmers, and civil society representatives.

Dr Mithat also had meeting with the representatives of Khyber Pakhtunkhwa Chamber of Commerce and Industry and delegates from Afghanistan and signed MoU with Dairy Science Park on behalf of Selcuk University and Konya Teknokent.

We expect rich participation of people from Academia, Industry, Civil Society, Government and Development Agencies, from various parts of the World. It is hoped that this event will prove as a great opportunity for Academia Industry linkages and a union between the people of East and West on the historic and spiritual city of Maulana i Room.

Call for abstracts

The University of Agriculture, Peshawar-Pakistan and Selçuk University, Konya-Turkey and Dairy Science Park Society are pleased to invite you to take part in the 4th International Workshop on Dairy Science Park, which will be held at Selcuk University Konya, Turkey on November 1st to 5th, 2017.

This is an event for researchers, scholars, engineers, resources managers, students, policy-makers, and all those interested in entrepreneurship and biorisk management in livestock and poultry based food value chain in agricultural sciences. The workshop provides an excellent opportunity to network with colleagues worldwide to share knowledge and experience on teaching and research in agricultural area.

Scope of the workshop

Dairy Science Park (DSP) has emerged at the University of Agriculture, Peshawar as a platform to engage the youth in productive economic activities through applied research and industrial linkages. Technological gaps between various regions of the World, success stories, entrepreneurship development, quality control protocols, traceability of livestock and livestock products and Biorisk Management concerns need to be addressed. Industrialization and commercialization of livestock farm resources for the purpose of access of the people to quality certified foods and generation of self employment for the youth are required.
