

**PART III: ANNEXED DRAFT PROFILE ON
NATIONAL SUSTAINABLE DEVELOPMENT STRATEGIES;
INDICATORS FOR SUSTAINABLE DEVELOPMENT**

Introduction

We have compiled the information regarding your country's national sustainable development strategy (NSDS), or its equivalent, and indicators related to sustainable development on the basis of past completed surveys and additional official information received over the last few years. We request you to kindly update the information contained or fill in the blanks of the attached DRAFT NSDS/INDICATORS PROFILE, taking into account the explanatory notes given below. The updated information will replace the NSDS/indicators information currently available on the national information website (please access your country page from the drop-down menu at: http://www.un.org/esa/dsd/dsd_aofw_ni/ni_index.shtml).

Information on indicators for sustainable development

Name of indicator set: *The assessment of the national indicator network of the progress towards sustainable development in 2007*

If you are using a comprehensive strategy encompassing all three dimensions of sustainable development (economic development, social development and environmental protection) as NSDS equivalent, and if you are using a specific indicator set to monitor its implementation, please provide the name of this set. If your indicator set has no specific name, we suggest you use "Indicators of sustainable development". Whereas we encourage submission in English/French/Spanish, information on indicators of sustainable development in other languages is also welcome.
