

# CSD 17 PARTNERSHIPS FAIR

## Revised Guidelines and Request Forms

### Introduction

---

The CSD Partnerships Fair provides a venue for registered Partnerships for Sustainable Development to showcase progress, launch new partnerships, network with existing and potential partners, create synergies between partnerships and learn from each other's experiences. The Partnerships Fair gives CSD participants an opportunity to gather information on and discuss the valuable contribution of these important initiatives towards supporting the implementation of inter-governmentally agreed sustainable development goals and objectives.

The **main updates to these revised guidelines** are aimed at offering an enhanced and more dynamic programme of activities during the CSD 17 Partnerships Fair concerning the duration of the CSD 17 Partnerships Fair (4 to 8 May 2009); partnerships working sessions instead of thematic discussion sessions; availability of information desks only the first week of the CSD 17 and extension of the deadline for submitting request forms for information desks until 27 March 2009.

The Partnerships Fair is an official part of the CSD and a summary of its activities will be included in the Report of CSD 17.

### CSD 17 Partnerships Fair Activities

---

The CSD 17 Partnerships Fair will take place at UN Headquarters in New York from 4 to 8 May 2009. Partnerships Fair activities will not be scheduled during the second week of the CSD 17 or during the High Level Segment.

The CSD 17 Partnerships Fair Programme of activities will mainly feature:

- **Partnerships working sessions.**
- **Training sessions.**
- **Partnerships Information Desks.**

All Partnerships working sessions and training sessions will take place in Conference Room 6. The Partnerships Fair information desks will be located in the 'neck area' (the corridor between the Vienna Café and the elevators in the 1<sup>st</sup> basement of the Conference Building at UNHQ).

We are encouraging CSD registered partnerships to send us suggestions on activities of their interest that could enhance CSD Partnerships Fair activities. Proposals should take into account the mandate of the CSD on partnerships as agreed at CSD-11 and aim to showcase lessons learned and best practices in the implementation of sustainable development through partnerships. We will be pleased to receive your suggestions at [beyondwssd@un.org](mailto:beyondwssd@un.org)

A detailed schedule of the Partnership Fair activities during the CSD 17 session will be made available on the CSD Partnerships website in early April 2009:  
[http://www.un.org/esa/dsd/dsd\\_aofw\\_par/par\\_csdfair17.shtml](http://www.un.org/esa/dsd/dsd_aofw_par/par_csdfair17.shtml)

### **Partnerships working sessions**

---

These sessions are organized by the CSD Partnerships Team to generate a more interactive, candid and dynamic dialogue and exchanges of views among leading-edge thinkers, practitioners and experts on issues related to the use of partnerships to implement sustainable development.

They are designed to offer an opportunity to:

- Discuss latest developments and emerging issues in the international dialogue on partnerships;
- Highlight experiences from “on the ground” partnerships practitioners;
- Maximise opportunities to share information on lessons learned and experiences on best practices;
- Find innovative solutions to challenges in implementing sustainable development as well as identify support for future initiatives;
- Produce a series of concrete recommendations to serve as the basis for further consultations on the future of partnerships;
- Build bridges between the policy recommendations and effective implementation.

Please visit the CSD Partnerships website during the CSD 17 for detailed information on the discussions at the working sessions:

[http://www.un.org/esa/dsd/dsd\\_aofw\\_par/par\\_csdfair17.shtml](http://www.un.org/esa/dsd/dsd_aofw_par/par_csdfair17.shtml)

Working sessions will take place in the CSD Partnerships Fair room, Conference room 6, and will be scheduled from 3:00 pm to 6:00 pm during the Partnerships Fair.

### **Partnerships training sessions**

---

Based on the significant amount of interest in participating in capacity building sessions on partnerships during CSD 16, training sessions on partnerships-related issues will be offered again to CSD participants during CSD 17.

These highly interactive and dynamic sessions aim at providing CSD participants with:

- Valuable tools, resources, examples and practical experiences on establishing, developing and maintaining effective partnerships,
- Concrete benefits and incentives of using partnerships as collaborative mechanisms or models for more effective delivery of sustainable development goals and objectives;
- Effective approaches to manage challenges, involving a diverse group of stakeholders;
- Knowledge on useful ways to replicate and scale up success stories;
- Opportunities for CSD registered partnerships to impart knowledge and capacity in specific issues of their work.

## Revised Guidelines and Request Forms

Governments and/or organizations interested in sponsoring training sessions during CSD 17, kindly contact the CSD Secretariat to discuss availability of time-slots and potential themes.

Partnerships training sessions will take place in the CSD Partnerships Fair room, Conference room 6.

### **Partnerships Fair information desks**

---

A limited number of information desks, free of charge, will be available upon request for those participating in CSD registered partnerships. CSD Partnerships representatives will have the opportunity to display and distribute information about their partnership as well as discuss their work more directly with representatives attending the CSD 17.

Partnerships Information Desks will be offered from 4 to 8 May 2009 from 10:00 AM to 6:00 PM. Please be advised that Partnerships Information Desks will not be available during the second week of the CSD 17 or during the High Level Segment.

As indicated, the desks will be located in the so-called 'neck area' (located in the corridor between the Vienna Café and the elevators in the 1st basement of the Conference Building at UNHQ).

The typical setup of an information desk will most likely include:

- 1 table to display materials (Approximate dimensions 5 foot long);
- 1-2 cloth covered panel boards (Approximate dimensions: 4 foot wide x 6 foot tall) set up behind the table for posters or other visual displays; and
- Two chairs.

If you would like to request a time-slot for a Partnerships Fair Information Desk during the CSD 17 session, please complete the attached request forms and submit them to the CSD Secretariat's Partnership Team **no later than 27 March 2009.**

### **Who should attend the Partnerships Fair?**

---

All CSD participants, including representatives of Governments, UN system organizations, other intergovernmental organizations and accredited major groups, are welcome to attend the Partnerships Fair.

In particular, partnerships working in the areas of the CSD 16/17 thematic cluster - Agriculture, Desertification, Drought, Land, Rural Development and Africa -, are encouraged to participate. The launching of new partnerships is also encouraged and welcomed.

Please be advised that registration of a partnership with the CSD Secretariat does not constitute accreditation to the Commission on Sustainable Development. In order to gain access to UN premises during CSD 17, partners must ensure that they are accredited to the Commission on Sustainable Development (through a Government, intergovernmental

### **Launching a new partnership**

---

If you would like to launch a new partnership at CSD 17 and participate in the Partnerships Fair, please complete the CSD Partnership on-line Registration form<sup>2</sup> and submit it with your Partnerships Fair request form.

If your proposed partnership is in keeping with CSD-11 criteria and guidelines<sup>3</sup>, the Partnerships Team will contact you and make the necessary arrangements to register your partnership and to process your Partnerships Fair request.

### **Display and distribution of informational materials**

---

Posters can be displayed at information desks (see above). Partners interested in distributing flyers, publications, brochures, and other materials related to their partnership may use a small display area in the Partnerships Fair room.

The CSD Secretariat will NOT accept shipments of any such materials; participants should instead bring small quantities of their materials into the UN building in person. Please note that space will be limited and participants may need to replenish their stocks on a daily basis.

### **Publicizing the CSD Partnerships Fair**

---

The full programme of activities for the Partnerships Fair and Participants Guide will be posted on the CSD 17 Partnerships Fair webpage<sup>4</sup> and hard copies will be made available to all those attending CSD 17, updated as necessary on a daily basis.

Daily updates to the Partnership Fair programme will be published through the "CSD Today" bulletins available on-site and summaries of the daily activities will be made available through the *Partnerships Wire*<sup>5</sup>. Further efforts are also being explored to publicize more effectively and widely partnerships activities during the CSD 17 Partnerships Fair.

Provisions will be made to showcase as many CSD Partnerships relevant materials on the CSD Partnerships website leading up to and during the CSD 17 session. We strongly encourage CSD Partnerships to send us electronic copies of any posters you may be using as well as photographs of your projects and any other relevant materials so that we can include this information on the Partnerships website.
