

Facilitation of STI for SDGs

Dr. Michiharu Nakamura
Senior Advisor

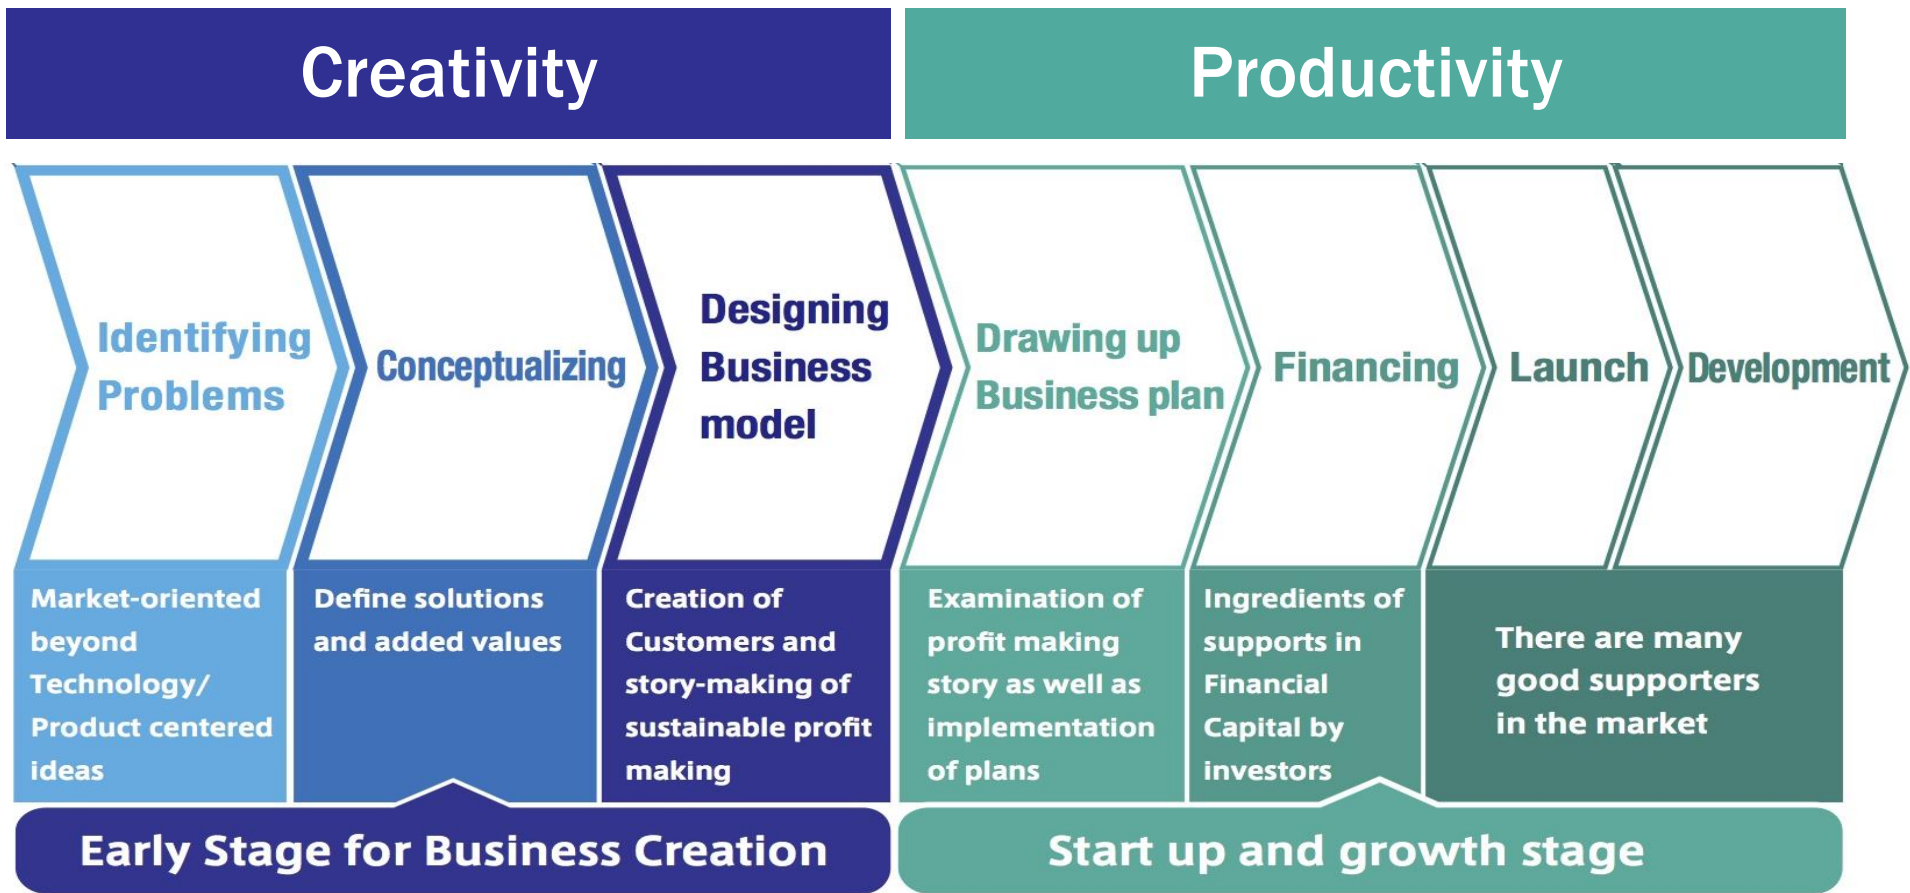

Japan Science and Technology Agency

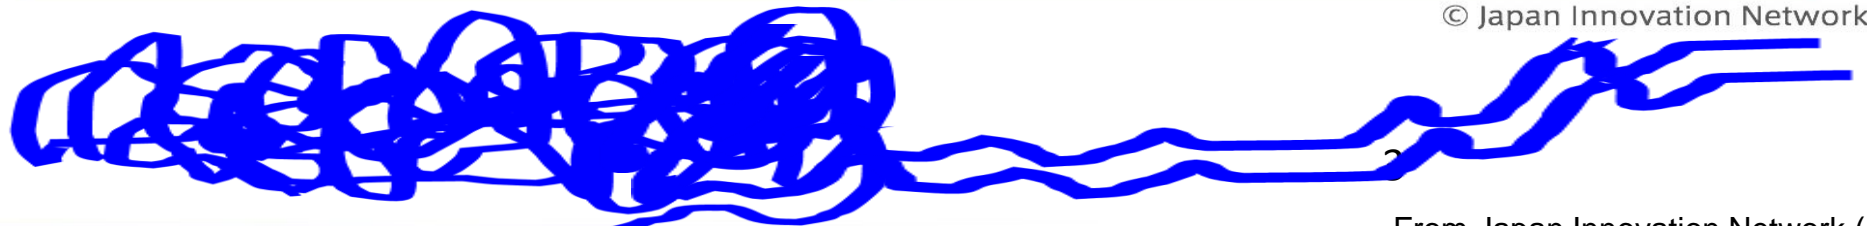

Recent Practices in Japan

- **Japan Federation of Economy has revised “Chapter of Corporate Code” declaring deep commitments in SDGs**
- **University of Tokyo has launched “Future Society Initiatives” leveraging SDGs to mobilize co-creation activities with society**
- **Government Pension Investment Fund (GPIF) is leading ESG investment using three corporate indices**
- **Local governments are enhancing revitalization programs under supports of the Cabinet Office**
